Version no. 1 of 22 December 2014

Reference: Call for proposals “Preparatory work for the modernisation of public sector accounting systems on an accruals basis” (21040/2014/003)

Question 1

Could you give any background information on that call?

Answer 1

This action aims at providing financial support for MS to:

- carry out preparatory analyses on the modernisation of their public sector accounting systems on an accruals basis, also with a view to the eventual implementation of EPSAS.
- continue their work implemented in the field of public sector accounting systems on an accruals basis, and particularly of EPSAS.

Question 2

Who could apply, Ministry of Finances or National Statistics Institute?

Answer 2

Eligible entities are those that are Member States' public sector accounting regulators, in particular public sector standard-setting authorities and those public entities which have a responsibility for leading or coordinating the implementation of public sector accounting standards across or between general government sub-sectors. In line with ESA2010, general government comprises central, state and local governments, and social security funds.
