

## **Application form for research entities**

This application form is intended for entities wishing to be recognised as research entities.

As a first step, please send this form electronically to [ESTAT-ENTITIES-ASSESSMENT@ec.europa.eu](mailto:ESTAT-ENTITIES-ASSESSMENT@ec.europa.eu)

The information provided in the application form will be examined by Eurostat, which will take the decision on whether to grant ‘research entity’ status.

The following criteria will be taken into account when deciding on the status of the entity:

- (1) the purpose of the entity;
- (2) the established record or reputation of the entity as a body producing quality research and making it publicly available;
- (3) the internal organisational arrangements for research, including, where relevant, the fact that the research entity is independent, autonomous in formulating scientific conclusions and separated from policy areas of the body to which it belongs;
- (4) the safeguards in place to ensure security of the data.

Applicants will be notified by email of the outcome of the assessment. If the assessment is positive, the completed **application form** will have to be printed, initialled on each page and signed on the last page by the entity’s duly designated representative. The application form should be accompanied by the **confidentiality undertaking**, initialled on each page and signed on the last page, and **terms of use**, initialled on each page. **All three documents** should be sent to:

The duly designated representative must immediately inform Eurostat of any changes to the information provided in this application form.

The application form has to be re-submitted at Eurostat’s request.

Processing of personal data is protected in accordance with Regulation (EC) No 45/2001. All information collected will be processed by Eurostat for the sole purpose of verifying the applicant’s compliance with the Regulation. All relevant questions must be answered.
