

# Table of contents

Introduction .....	13
1. General aspects of SPPI compilation.....	15
1.1 Definition and scope of SPPI .....	15
1.1.1 Coverage of SPPI.....	15
1.1.2 Goals of SPPI.....	16
1.2 Statistical units .....	16
1.2.1 General principles .....	16
1.2.2 Output of statistical units in special cases .....	16
1.3 Product and industry SPPI .....	18
1.4 Price concept .....	19
1.5 Identification of service products.....	19
1.5.1 General guidelines .....	19
1.5.2 Duration of service-provision as a service-determining factor.....	20
1.6 Timing of price collection.....	21
1.6.1 Accrual principle .....	21
1.6.2 Frequency of price collection .....	22
1.7 Treatment of quality change.....	22
1.8 Classifications .....	23
1.9 Sample frame and weights .....	23
1.10 Relationship of the SPPI to other major price indices.....	24
2. Main pricing methods for SPPI .....	27
2.1 Introduction.....	27
2.2 Specification of service output.....	28
2.3 Classification of pricing methods.....	29
2.4 Direct use of prices of repeated services.....	31
2.4.1 Standard case .....	31
2.4.2 Contract pricing .....	32
2.5 Unit value method .....	35
2.6 Component pricing.....	36
2.7 Percentage fee method .....	38
2.8 Model pricing.....	39
2.8.1 General features of the model pricing method.....	39
2.8.2 Estimation of model prices in practice .....	40

2.9 Pricing based on working time.....	42
2.9.1 General remarks.....	42
2.9.2 Time-based methods.....	42
3. Practical aspects of the development process.....	47
3.1 Introduction.....	47
3.2 Industry description.....	48
3.3 Contacts with trade organisations.....	48
3.4 Methodological aspects.....	48
3.4.1 Sampling frame.....	48
3.4.2 Service identification.....	49
3.5 Pilot survey.....	50
3.6 Treatment of quality change.....	51
3.6.1 Preparatory work for handling quality changes in service products.....	51
3.6.2 Examples of quality adjustment methods.....	51
3.7 Index calculation.....	55
3.7.1 Index formula.....	55
3.7.2 Weights and aggregation of an index.....	55
3.8 Quality assessment.....	58
3.9 Maintaining the quality of service prices.....	60
Appendix 1: Stages in the development of SPPI - an example.....	61
Appendix 2: Example on a criteria matrix for legal services.....	62
4. Compilation of SPPI for specific service industries.....	63
4.1 Introduction.....	63
4.2 Freight transport by road.....	65
1. Description of the sector (ISIC 6023 / NACE 60.24).....	65
2. Classification aspects and scope of the survey.....	65
3. Sample Design.....	66
4. Main pricing methods.....	66
5. Costs and benefits of the alternative pricing methods.....	67
6. Quality issues.....	67
7. Collection of the information.....	67
8. Specific aspects.....	67
9. Overview of national methods.....	68
4.3 Sea and costal water transport.....	68
1. Description of the sector (ISIC 611 / NACE 61.10).....	68
2. Classification aspects and scope of the survey.....	69
3. Sample design.....	69

4.	Main pricing methods .....	69
5.	Costs and benefits of the alternative pricing methods.....	69
6.	Quality issues .....	70
7.	Collection of information and specification of services.....	70
8.	Specific aspects .....	70
9.	Overview of national methods .....	70
4.4	Air transport .....	72
1.	Description of the sector (ISIC 621, 622 / NACE 62.10, 62.10) .....	72
2.	Classification aspects and scope of the survey.....	72
3.	Sample design .....	73
4.	Main pricing methods .....	73
5.	Costs and benefits of the alternative pricing methods.....	74
6.	Quality issues .....	74
7.	Collection of the information .....	74
8.	Specific aspects .....	75
9.	Overview of national methods .....	75
4.5	Cargo handling .....	76
1.	Description of the sector (ISIC 6301 / NACE 63.11) .....	76
2.	Classification aspects and scope of the survey.....	77
3.	Sample design .....	77
4.	Main pricing methods .....	77
5.	Costs and benefits of the alternative pricing methods.....	78
6.	Quality issues .....	78
7.	Collection of information and specification of the services.....	78
8.	Specific aspects .....	78
9.	Overview of national methods .....	78
4.6	Storage and warehousing .....	79
1.	Description of the sector (ISIC 6302 / NACE 63.12) .....	79
2.	Classification aspects and scope of the survey.....	79
3.	Sample design .....	79
4.	Main pricing methods .....	79
5.	Costs and benefits of the alternative pricing methods.....	80
6.	Quality issues .....	81
7.	Collection of information and specification of the services.....	81
8.	Specific aspects .....	81
9.	Overview of national methods .....	81
4.7	Post and courier services .....	81

1.	Description of the sector (ISIC 641 / NACE 64.1)	81
2.	Classification aspects and scope of the survey	83
3.	Sample design	83
4.	Main pricing methods	84
5.	Costs and benefits of the alternative	84
6.	Quality issues	85
7.	Collection of the information	85
8.	Specific aspects	85
9.	Overview of national methods	85
4.8	Telecommunications	87
1.	Description of the sector (ISIC 642 / NACE 64.2)	87
2.	Classification aspects and scope of the survey	87
3.	Sample Design	88
4.	Main pricing methods	88
5.	Costs and benefits of the alternative pricing methods	88
6.	Quality issues	89
7.	Collection of the information	90
8.	Specific aspects	90
9.	Overview of national methods	90
4.9	Real estate activities with own property	91
1.	Description of the sector (ISIC 701 / NACE 70.1)	91
2.	Classification aspects and scope of the survey	91
3.	Sample design	91
4.	Main pricing methods	91
5.	Costs and benefits of the alternative pricing methods	92
6.	Quality issues	92
7.	Collection of the information	93
8.	Specific aspects	93
9.	Overview of national methods	93
4.10	Computer and related activities	94
1.	Description of the sector (ISIC 72 / NACE 72)	94
2.	Classification aspects and scope of the survey	94
3.	Sample design	94
4.	Main pricing methods	95
5.	Costs and benefits of the alternative pricing methods	95
6.	Quality issues	95
7.	Collection of the information	96

8.	Specific aspects .....	96
9.	Overview of national methods .....	96
4.11	Legal activities .....	97
1.	Description of the sector (ISIC 7411 / NACE 74.11) .....	97
2.	Classification aspects and scope of the survey.....	97
3.	Sample Design .....	98
4.	Main pricing methods .....	98
5.	Quality issues .....	100
6.	Collection of information and specification of the services.....	100
7.	Specific aspects .....	100
8.	Overview of national methods .....	100
4.12	Accounting, bookkeeping and auditing activities; tax consultancy .....	101
1.	Description of the sector (ISIC 7412 / NACE 74.12) .....	101
2.	Classification aspects and scope of the survey.....	102
3.	Sample design .....	102
4.	Main pricing methods .....	102
5.	Costs and benefits of the alternative pricing methods.....	103
6.	Quality issues .....	103
7.	Collection of the information .....	103
8.	Specific aspects .....	103
9.	Overview of national methods .....	103
4.13	Market research and public opinion polling.....	105
1.	Description of the sector (ISIC 7413 / NACE 74.13) .....	105
2.	Classification aspects and scope of the survey.....	105
3.	Sample design .....	105
4.	Main pricing methods .....	105
5.	Costs and benefits of the alternative pricing methods.....	106
6.	Quality issues .....	106
7.	Collection of the information .....	106
8.	Specific aspects .....	106
9.	Overview of national methods .....	107
4.14	Business and management consultancy activities .....	107
1.	Description of the sector (ISIC 7414 / NACE 74.14) .....	107
2.	Classification aspects and scope of the survey.....	107
3.	Sample design .....	108
4.	Main pricing methods .....	108
5.	Costs and benefits of the alternative pricing methods.....	110

6.	Quality issues .....	110
7.	Collection of the information .....	110
8.	Specific aspects .....	110
9.	Overview of national methods .....	110
4.15	Architectural and engineering activities and related technical consultancy.....	111
1.	Description of the sector (ISIC 7421 / NACE 74.2) .....	111
2.	Classification aspects and scope of the survey.....	111
3.	Sample design .....	113
4.	Main pricing methods .....	113
5.	Costs and benefits of the alternative pricing methods.....	113
6.	Quality issues .....	113
7.	Collection of the information .....	113
8.	Specific aspects .....	114
9.	Overview of national methods .....	114
4.16	Technical testing and analysis.....	118
1.	Description of the sector (ISIC 7422 / NACE 74.3) .....	118
2.	Classification aspects and scope of the survey .....	119
3.	Sample design .....	119
4.	Main pricing methods .....	120
5.	Costs and benefits of the alternative pricing methods .....	120
6.	Quality issues.....	120
7.	Collection of the information.....	120
8.	Specific aspects.....	121
9.	Overview of national methods.....	121
4.17	Advertising.....	121
1.	Description of the sector (ISIC 743 / NACE 74.4) .....	121
2.	Classification aspects and scope of the survey.....	121
3.	Sample design .....	123
4.	Main pricing methods .....	123
5.	Costs and benefits of the alternative pricing methods.....	124
6.	Quality issues .....	124
7.	Collection of information and specification of the services.....	124
8.	Specific aspects .....	126
9.	Overview of national methods .....	126
4.18	Labour recruitment and provision of personnel .....	127
1.	Description of the sector (ISIC 7491 / NACE 74.5) .....	127
2.	Classification aspects and scope of the survey.....	128

3. Sample design .....	128
4. Main pricing methods .....	128
5. Costs and benefits of the alternative pricing methods.....	129
6. Quality issues .....	129
7. Collection of the information .....	130
8. Specific aspects .....	130
9. Overview of national methods .....	130
4.19 Investigation and security activities .....	132
1. Description of sector (ISIC 7492 / NACE 74.6) .....	132
2. Classification aspects and scope of the survey.....	133
3. Sample design .....	134
4. The pricing method used.....	135
5. Costs and benefits of the alternative pricing methods.....	135
6. Quality issues .....	136
7. Collection of the information .....	136
8. Specific aspects .....	136
9. Overview of national methods .....	137
4.20 Industrial cleaning.....	138
1. Description of the sector .....	138
2. Classification aspects and scope of the survey.....	138
3. Sample design .....	140
4. Main pricing methods .....	140
5. Costs and benefits of the alternative pricing methods.....	140
6. Quality issues .....	140
7. Collection of information and specification of the services.....	140
8. Specific aspects .....	140
9. Overview of national methods .....	141
Glossary.....	144
Abbreviations .....	151
Bibliography .....	153
