1.3.5	OECD requirements	19
2	Introduction to COFOG statistics	22
2.1	The ESA95 Transmission Programme	22
2.2	COFOG and other functional classifications	23
2.2.1	COICOP: Classification of Individual Consumption According to Purpose	23
2.2.2	COPNI: Classification of the Purposes of NPISHs	23
2.2.3	COPP: Classification of the Outlays of Producers According to Purpose	23
2.2.4	COFOG: Classification of the Functions of Government	24
2.3	Definition of the general government sector	24
2.4	Definition of government expenditure	25
2.4.1	Description of the economic categories	27
2.4.2	Relationship between expenditure components and final consumption	31
2.5	Accounting methods	32
2.5.1	Accruals recording	32
2.5.2	Consolidation	32
2.5.3	Netting	33
2.5.4	Distinction between financial and non-financial transactions	33
2.5.5	Reporting economic reality over legal form	33
2.6	Legal background	33
2.7	COFOG classification structure	34
3	Methodological guidance	38
3.1	Multipurpose functions	38
3.1.1	Guidance	38
3.1.2	Background	38
3.2	Recording interest by function (including FISIM)	38
3.2.1	Guidance	38
3.2.2	Background	39
3.3	Consumption of fixed capital by function	39
3.3.1	Guidance	39
3.3.2	Background	39
3.3.3	Possible methods	40
3.3.4	Member States' Practices	40

3.4	Allocation of certain social contributions and benefits	41
3.4.1	Guidance	41
3.4.2	Background	41
3.5	Individual and collective final consumption expenditure	41
3.5.1	Guidance	41
3.5.2	Background	41
3.6	Social transfers in kind vs. individual consumption	43
3.6.1	Guidance	43
3.6.2	Background	43
3.7	Estimation methods for provisional year n-1	43
3.7.1	Guidance	43
3.7.2	Member States' practices	44
3.8	Assigning an appropriate function: case studies	44
3.8.1	Case 1 – army forces involved in "humanitarian aid missions"	45
3.8.2	Case 2 – civil and military cemeteries	46
3.8.3	Case 3 – foreign aid for environmental protection	46
3.8.4	Case 4 – protection of youth	46
3.8.5	Case 5 – fight against discrimination	46
3.8.6	Case 6 – cost of meals provided at school to poor pupils	47
3.8.7	Case 7 – payments to social insurance schemes of public enterprises	47
3.8.8	Case 8 - government support of sustainable energy	47
3.8.9	Case 9 - water management	47
3.8.10	Case 10 - schooling to help people find jobs	48
3.8.11	Case 11 - woman's protection and addiction	48
3.8.12	Case 12 - career break and time-credit allowances	48
3.8.13	Case 13 - claim compensation (directly paid) to victims of asbestos	48
3.8.14	Case 14 - retirement homes with nurses	49
3.8.15	Case 15 – elder care provided by specialized staff at home	49
3.8.16	Case 16 - ambulance services operated by hospitals	49
3.8.17	Case 17 - sale of UMTS licences	49
3.8.18	Case 18 – denationalisation and restitution	49
3.8.19	Case 19 - commodity reserves	50
3.8.20	Case 20 - expenditure for organising external EU border, Schengen	50
3.8.21	Case 21 – recurrent payment made by state to Europol	50
3.8.22	Case 22 – disinfections	50
3.8.23	Case 23 - lump sum received by some employees when retiring	50
3.8.24	Case 24 - construction of stadiums for international events	51
4	Links between COFOG and other international statistics	52
4.1	Science and Technology Indicators	52
4.1.1	Research and Development (R&D) statistics: the Frascati Manual	52
4.1.2	Research and Development (R&D) expenditure data	52
4.1.3	Coherence of COFOG R&D data with R&D expenditure data	53
4.2	Environmental accounts	54
4.2.1	Accounting systems and guidance manuals	54
4.2.2	Data collection	55
4.2.3	Consistency with COFOG	55
4.3	Health accounts	57
4.3.1	Background	57
4.3.2	Differences between SHA and COFOG	57

4.3.3	Usability of COFOG for constructing ICHA-HC expenditure	58
4.3.4	Usability of ICHA-HC categories for constructing expenditure by COFOG	60
4.4	Education statistics	62
4.4.1	International Standard Classification of Education (ISCED)	62
4.4.2	UNESCO-UIS/OECD/EUROSTAT data collection (UOE)	63
4.4.3	Consistency with COFOG	64
4.5	European Social Protection statistics	65
4.5.1	European System of integrated Social PROtection Statistics (ESSPROS)	65
4.5.2	Scope of social protection	65

4.5.4	The dividing line between social benefits in cash and in kind	66
4.5.5	Special ways of recording	66
4.6	Satellite accounts can give higher figures than COFOG	67
5	Individual countries' compilation practices	68
5.1	Introduction	68
5.1.1	Sources of information	68
5.1.2	Coding system for data sources	68
5.1.3	Coding system for allocation of fixed capital consumption	69
5.2	Belgium	70
5.2.1	Institutional arrangements	70
5.2.2	Publication of data on a national level	70
5.2.3	Revisions policy	70
5.2.4	National functional classification and compilation methodology	70
5.2.5	Availability and use of data sources	73
5.2.6	Individual and collective final consumption expenditure	74
5.2.7	Consumption of fixed capital expenditure	74
5.2.8	Methodological soundness	74
5.2.9	One-off transactions in the years 1998-2005	74
5.2.10	Multi-purpose functions	75
5.3	Bulgaria	76
5.3.1	Institutional arrangements	76
5.3.2	Publication of data on a national level	76
5.3.3	Revisions policy	76
5.3.4	National functional classification and compilation methodology	76
5.3.5	Availability and use of data sources	77
5.3.6	Individual and collective final consumption expenditure	78
5.3.7	Consumption of fixed capital expenditure	78
5.3.8	Methodological soundness	78
5.3.9	One-off transactions in the years 1998-2005	78
5.4	Czech Republic	79
5.4.1	Institutional arrangements	79
5.4.2	Publication of data on a national level	79
5.4.3	Revisions policy	79
5.4.4	National functional classification and compilation methodology	79
5.4.5	Availability and use of data sources	80
5.4.6	Individual and collective final consumption expenditure	81
5.4.7	Consumption of fixed capital expenditure	81
5.4.8	Methodological soundness	81
5.4.9	One-off transactions in the years 1998-2005	81

5.5	Denmark	82
5.5.1	Institutional arrangements	82
5.5.2	Publication of data on a national level	82
5.5.3	Revisions policy	82
5.5.4	National functional classification and compilation methodology	82
5.5.5	Availability and use of data sources	83
5.5.6	Individual and collective final consumption expenditure	83
5.5.7	Consumption of fixed capital expenditure (K1)	83
5.5.8	Methodological soundness	84
5.5.9	One-off transactions in the years 1998-2005	84
5.5.10	Multi-purpose functions	84
5.6	Germany	85
5.6.1	Institutional arrangements	85
5.6.2	Publication of data on a national level	85
5.6.3	Revisions policy	85
5.6.4	National functional classification and compilation methodology	85
5.6.5	Availability and use of data sources	87
5.6.6	Individual and collective final consumption expenditure	87
5.6.7	Consumption of fixed capital expenditure	88
5.6.8	Methodological soundness	88
5.6.9	One-off transactions in the years 1998-2005	88
5.6.10	Multi-purpose functions	88
5.7	Estonia	89
5.7.1	Institutional arrangements	89
5.7.2	Publication of data on a national level	89
5.7.3	Revisions policy	89
5.7.4	National functional classification and compilation methodology	89
5.7.5	Availability and use of data sources	91
5.7.6	Individual and collective final consumption expenditure	91
5.7.7	Consumption of fixed capital expenditure	92
5.7.8	Methodological soundness	92
5.7.9	One-off transactions in the years 1998-2005	92
5.7.10	Multi-purpose functions	92
5.8	Ireland	93
5.8.1	Institutional arrangements	93
5.8.2	Publication of data on a national level	93
5.8.3	Revisions policy	93
5.8.4	National functional classification and compilation methodology	93
5.8.5	Availability and use of data sources	94
5.8.6	Individual and collective final consumption expenditure	94
5.8.7	Consumption of fixed capital expenditure	94
5.8.8	Methodological soundness	95
5.8.9	One-off transactions in the years 1998-2005	95
5.8.10	Multi-purpose functions	95
5.9	Greece	96
5.9.1	Institutional arrangements	96
5.9.2	Publication of data on a national level	96
5.9.3	Revisions policy	96
5.9.4	National functional classification and compilation methodology	96
5.9.5	Availability and use of data sources	97
5.9.6	Individual and collective final consumption expenditure	98

5.9.7	Consumption of fixed capital expenditure	98
5.9.8	Methodological soundness	98
5.9.9	One-off transactions in the years 1998-2005	98
