

## Table of contents

Chapter 1 — Scope of the recommendations .....	9
1A — The general framework .....	9
1B — The BR Regulation.....	10
1C — Objectives of this Manual.....	10
1D — Structure of this Manual .....	11
1E — Scope of the Recommendations .....	11
1F — Relation to the BR Regulation .....	12
Chapter 2 — Harmonisation of business registers .....	14
2A — Why harmonise? .....	14
2B — What needs to be harmonised? .....	14
2C — Harmonisation in practice .....	16
2D — Relation to the BR Regulation.....	16
Chapter 3 — Objectives and uses of the business registers for statistical purposes .....	18
3A — Objectives .....	18
3B — Uses of statistical business registers.....	18
3C — Relation to the BR Regulation.....	21
Chapter 4 — Maintenance of the register .....	23
4A — Introduction .....	23
4B — Changes in unit structures and variables.....	24
4C — Historical register .....	24
4D — Relation to the BR Regulation.....	25
Chapter 5 — Contents of the register .....	27
5A — Introduction .....	27
5B — Legal unit characteristics.....	28
5C — Local unit characteristics.....	37
5D — Enterprise characteristics.....	41
5E — Enterprise group characteristics.....	47
5F — Summary and possible additional characteristics .....	54
5G — Relation to the BR Regulation.....	57
Chapter 6 — Coverage of the register .....	59
6A — Introduction .....	59
6B — Activities of households.....	59
6C — NACE section U: Activities of extraterritorial organisations and bodies .....	61
6D — Inclusion of previously optional NACE sections.....	62
6E — Very small enterprises.....	62
6F — Relation to the BR Regulation .....	63
Chapter 7 — Legal unit and enterprise .....	65
7A — Introduction .....	65
7B — Definitions .....	65
7C — Relationships between enterprises and legal units.....	66
7D — Enterprises with multiple legal units .....	67
7E — The role of legal units in administrative sources .....	68

7F — Inactive legal units.....	68
7G — The limits of enterprises.....	69
7H — Relation to the BR Regulation.....	70
Chapter 8 — Local units in business registers.....	72
8A — Introduction.....	72
8B — Local units — the limiting case.....	73
8C — Major sites.....	74
8D — External sourcing of ancillary services.....	74
8E — Activities of workers under exclusive contracts.....	75
8F — Relationship with other units.....	75
8G — Relation to the BR Regulation.....	75
ANNEX — Local unit guidelines for specific activities.....	77
Chapter 9 — Access to the register.....	86
9A — Introduction.....	86
9B — Limits of access.....	87
9C — Desirability of access.....	88
9D — Relation to the BR Regulation.....	89
Chapter 10 — Quality policy.....	91
10A — Introduction.....	91
10B — Quality criteria.....	92
10C — Cost — a related constraint.....	94
10D — Reasons for quality defects.....	94
10E — Quality standards.....	95
10F — Quality measurement.....	96
10G — Quality improvements.....	98
10H — Relation to the BR Regulation.....	100
Chapter 11 — The general approach to the handling of changes.....	102
11A — Introduction.....	102
11B — Frames of reference and terminology.....	103
11C — Recapitulation of the links between units.....	105
11D — A structured approach to the handling of changes.....	105
11E — Summary.....	107
11F — Relation to the BR Regulation.....	107
Chapter 12 — A general overview of demographic events.....	109
12A — Introduction.....	109
12B — Criteria for the identification of demographic events.....	109
12C — A general typology of demographic events.....	111
12D — Typologies of demographic events for specific statistical units.....	113
12E — Summary.....	114
12F — Relation to the BR Regulation.....	114
Chapter 13 — Demographic changes concerning the enterprise.....	116
13A — Introduction.....	116
13B — Typology of demographic events for the enterprise.....	116
13C — Register updates reflecting demographic events.....	121
13D — Summary.....	124
13E — Relation to the BR Regulation.....	126

Chapter 14 — Continuity rules for the enterprise .....	128
14A — Introduction .....	128
14B — Continuity in relation to the definition and use of the enterprise.....	129
14C — Continuity in practice.....	130
14D — Avoiding conflicting rules .....	132
14E — Reactivations .....	133
14F — Summary.....	133
14G — Relation to the BR Regulation.....	134
Chapter 15 — Demographic changes concerning the local unit.....	136
15A — Introduction .....	136
15B — Possible demographic events concerning the local unit .....	136
15C — Local unit events in relation to enterprise events.....	138
15D — Register updates reflecting local unit demographic events.....	140
15E — Summary .....	141
15F — Relation to the BR Regulation .....	141
Chapter 16 — Continuity rules for the local unit.....	143
16A — Introduction .....	143
16B — Continuity in relation to the definition and use of the local unit .....	143
16C — Continuity in practice.....	144
16D — The links between enterprise and local unit continuity.....	146
16E — Summary .....	147
16F — Relation to the BR Regulation .....	147
Chapter 17 — The handling of changes to characteristics .....	149
17A — Introduction .....	149
17B — Requirements regarding changes to characteristics .....	149
17C — Types of characteristics .....	150
17D — Timing of changes .....	153
17E — Sources of information .....	154
17F — Size of the observation unit .....	154
17G — Frequency of updates .....	155
17H — Summary .....	155
17I — Relation to the BR Regulation .....	155
Chapter 18 — The handling of errors.....	157
18A — Introduction .....	157
18B — Definition of errors.....	157
18C — Types of errors.....	158
18D — The micro and macro approaches.....	159
18E — The handling of errors for different users.....	159
18F — The time dimension.....	160
18G — Sources for the correction of errors.....	161
18H — Summary and recommendations .....	161
18I — Relation to the BR Regulation .....	162
Chapter 19 — The handling of large and complex businesses .....	164
19A — Introduction .....	164
19B — Profiling — Definition and thresholds .....	165
19C — Profiling — Methods.....	167

19D — Operational rules for the enterprise — Defining the enterprise.....	168
19E — Operational rules for the enterprise — Applying the definition.....	170
19F — Operational rules for the kind-of-activity unit.....	175
19G — Quality measures.....	177
19H — Relation to the BR Regulation.....	178
Chapter 20 — The use of administrative sources .....	180
20A — Introduction .....	180
20B — Definitions of administrative sources .....	180
20C — Why use administrative sources?.....	181
20D — Problems using administrative sources .....	182
20E — Quality and administrative sources.....	184
20F — Using administrative sources in practice.....	184
20G — Access to administrative sources.....	185
20H — Associated registers.....	186
20I — The example of Intrastat registers .....	187
20J — Relation to the BR Regulation.....	189
Chapter 21 — Enterprise groups .....	191
21A — Introduction .....	191
21B — User needs .....	192
21C — The statistical concept of the enterprise group.....	196
21D — Operational rules for the implementation of the enterprise groups into national business registers.....	202
21E — Sources at national level .....	210
21F — Confidentiality.....	213
21G — Relation to the BR Regulation.....	217
ANNEX .....	218
Chapter 22 — Demographic changes and continuity rules for the enterprise group.....	223
22A — Introduction .....	223
22B — Typology of demographic events for the enterprise group.....	224
22C — Register updates reflecting demographic events.....	227
22D — Continuity in relation to the definition and use of the enterprise group .....	230
22E — Continuity in practice.....	231
22F — Summary.....	234
22G — Relation to the BR Regulation.....	235
Chapter 23 — Statistical units in agriculture, forestry and fishing.....	237
23A — Introduction .....	237
23B — The concept of an agricultural holding.....	238
23C — Legal units in agriculture .....	240
23D — Enterprises and kind-of-activity units in agriculture.....	242
23E — Local units and local kind-of-activity units in agriculture .....	243
23F — Units in support activities to agriculture; in forestry and in fishing .....	244
23G — Relationship between business registers and farm registers.....	245
23H — Summary of rules for linking agricultural holding to business register units.....	247
23I — Relation to the BR Regulation .....	248
Chapter 24 — Statistical units in public sector .....	250
24A — Introduction .....	250
24B — The Public Sector and the Statistical Units Regulation .....	251

24C — The Public Sector in the European System of Accounts .....	252
24D — Legal Units and Quasi-Legal Units in the Public Sector .....	253
24E — Enterprises in the Public Sector .....	256
24F — Enterprise Groups in the Public Sector.....	257
24G — Local Units in the Public Sector .....	258
24H — Defining the Main Activity of Public Sector Units .....	258
24I — Data Sources for Public Sector Units.....	258
24J — Relation to the BR Regulation.....	259
Glossary .....	261
