

## Contents

Foreword .....	3
Acknowledgements .....	4
Acronyms and abbreviations .....	5
<b>Introduction .....</b>	<b>11</b>
1. Scope and aims .....	13
2. Contents .....	13
<b>Chapter I. System of National Accounts.....</b>	<b>17</b>
1. SNA in the economy .....	19
1.1 What is SNA? .....	19
1.2 SNA and the economy .....	20
1.3 Need for the SNA .....	21
2. Towards the 2008 SNA .....	25
3. Recommended reading .....	30
<b>Chapter II. Building the SNA .....</b>	<b>31</b>
1. National Strategies for the Development of Statistics (NSDS) .....	33
1.1 Elaborating an NDSD .....	33
1.2 Advocacy for statistics .....	35
2. The 2008 SNA implementation strategy .....	37
2.1 Phase A: Aims and objectives .....	38
2.2 Phase B: Organization .....	39
2.2.1 Institutional context .....	39
2.2.2 Organizational aspects .....	40
2.3 Phase C: Compilation .....	44
2.3.1 Definition and organization of the different phases .....	44
2.3.2 Developing IT tools for compiling national accounts .....	49
2.4 Phase D: Dissemination .....	51
2.4.1 User identification .....	52
2.4.2 Providing quality data that meet users expectations .....	52
2.4.3 Establishing a calendar for dissemination .....	53
3. Recommended reading .....	54
<b>Chapter III. Basic Concepts.....</b>	<b>57</b>
1. Fundamentals for national accounting .....	59
1.1 WHO? Institutional units and sectors .....	59
1.1.1 Institutional sectors .....	59
1.1.2 The total economy and the concept of Residence .....	61
1.1.3 Enterprises, Establishments and Industries .....	62

1.2 WHAT? Flows and Stocks .....	65
1.3 WHY? Purposes .....	66
1.4 HOW? Accounting Rules .....	66
1.4.1 The accounting model .....	66
1.4.2 Time of recording .....	67
1.4.3 Valuation .....	68
<b>2. Accounts and main aggregates .....</b>	<b>69</b>
2.1 Accounts .....	69
2.2 Main aggregates .....	70
<b>3. Recommended reading .....</b>	<b>75</b>
<b>Chapter IV. Statistical Infrastructure for National Accounts .....</b>	<b>77</b>
<b>1. The basis: business register and statistical classifications .....</b>	<b>79</b>
1.1 Business Register .....	79
1.1.1 Objective .....	79
1.1.2 Variables .....	79
1.1.3 Implementing and developing an SBR .....	82
1.1.4 Questions for practitioners .....	82
1.2 Classifications .....	83
1.2.1 Importance of adopting international classifications .....	83
1.2.2 Implementing a classification .....	83
1.2.3 Main classifications .....	84
1.2.4 Questions for practitioners .....	89
<b>2. Statistical data sources .....</b>	<b>89</b>
2.1 Censuses .....	89
2.2 Surveys .....	90
2.2.1 Agricultural Statistics .....	92
2.2.2 Structural Business Statistics .....	92
2.2.3 Construction Statistics .....	93
2.2.4 Price Statistics .....	93
2.2.5 Household Statistics .....	94
2.3 Concluding remarks .....	95
2.3.1 Questions for practitioners .....	96
<b>3. Recommended reading .....</b>	<b>96</b>
<b>Chapter V. Administrative data sources .....</b>	<b>99</b>
<b>1. What are administrative sources .....</b>	<b>101</b>
<b>2. Transition to national accounts .....</b>	<b>102</b>
2.1 Financial statements of non-financial corporations .....	102
2.2 Financial statements of financial corporations .....	106
2.2.1 Banks .....	106
2.2.2 Insurance services .....	107

2.3 Government financial statement .....	109
2.4 Balance of Payments .....	112
<b>3. Concluding remarks .....</b>	<b>114</b>
3.1 Questions for practitioners .....	114
<b>4. Recommended reading .....</b>	<b>115</b>
<b>Chapter VI. The Informal Sector .....</b>	<b>117</b>
<b>1. The Non-Observed Economy .....</b>	<b>119</b>
<b>2. The Informal Sector .....</b>	<b>122</b>
2.1 Place of the informal sector in the economy .....	122
2.2 Defining the informal sector .....	123
2.3 Informal economy .....	125
2.4 How to measure the informal sector .....	126
2.4.1 Estimation methods .....	126
2.4.2 Statistical data for estimating the informal sector .....	127
2.5 Concluding remarks .....	131
2.5.1 Questions for practitioners .....	131
<b>3. Recommended reading .....</b>	<b>132</b>
<b>Chapter VII. Volume measures .....</b>	<b>133</b>
<b>1. Price and volume in national accounts .....</b>	<b>135</b>
1.1 Why measure price and volume in SNA? .....	135
1.2 Conceptual background .....	136
1.2.1 Periods .....	136
1.2.2 Indices .....	137
1.2.3 Principles .....	138
1.3 How to measure price and volume in SNA .....	138
1.4 Main sources for price and volume measures .....	140
<b>2. GDP volume measures .....</b>	<b>142</b>
2.1 Production approach .....	142
2.2 Expenditure approach .....	146
2.2.1 Final consumption expenditure .....	146
2.2.2 Gross capital formation .....	147
2.2.3 Imports and exports .....	148
<b>3. Concluding remarks .....</b>	<b>150</b>
3.1 Questions for practitioners .....	152
<b>4. Recommended reading .....</b>	<b>152</b>

<b>Annexes</b> .....	<b>153</b>
<b>Milestones for National Accounts implementation</b> .....	<b>155</b>
<b>Classification of transactions</b> .....	<b>156</b>
Transactions in products (P) .....	156
Distributive transactions (D) .....	157
Current transfers in cash and kind (D.5-D.8) .....	158
