

## Contents

Foreword .....	3
Acknowledgements .....	4
Acronyms and abbreviations .....	5
<b>Introduction .....</b>	<b>13</b>
1. Scope and aims .....	15
2. Contents .....	15
<b>Chapter 1. System of National Accounts.....</b>	<b>19</b>
1. SNA in the economy .....	21
1.1 What is SNA? .....	21
1.2 SNA and the economy .....	22
1.3 Need for the SNA .....	23
2. Towards the 2008 SNA .....	27
3. Recommended reading .....	32
<b>Chapter 2. Building the SNA .....</b>	<b>33</b>
1. National Strategies for the Development of Statistics (NSDS) .....	35
1.1 Elaborating an NSDS .....	35
1.2 Advocacy for statistics .....	37
2. The 2008 SNA implementation strategy .....	39
2.1 Phase A: Aims and objectives .....	40
2.2 Phase B: Organisation .....	42
2.2.1 Institutional context .....	42
2.2.2 Organisational aspects .....	43
2.3 Phase C: Compilation .....	47
2.3.1 Definition and organisation of the different phases .....	47
2.3.2 Developing IT tools for compiling national accounts .....	52
2.4 Phase D: Dissemination .....	54
2.4.1 User identification .....	55
2.4.2 Providing quality data that meet users expectations .....	55
2.4.3 Establishing a calendar for dissemination .....	56
3. Recommended reading .....	57
<b>Chapter 3. Basic Concepts.....</b>	<b>59</b>
1. Fundamentals for national accounting .....	61
1.1 WHO? Institutional units and sectors .....	61
1.1.1 Institutional sectors .....	61
1.1.2 The total economy and the concept of Residence .....	63
1.1.3 Enterprises, Establishments and Industries .....	64

1.2 WHAT? Flows and Stocks .....	67
1.3 WHY? Purposes .....	68
1.4 HOW? Accounting Rules .....	68
1.4.1 The accounting model .....	68
1.4.2 Time of recording .....	69
1.4.3 Valuation .....	70
<b>2. Accounts and main aggregates .....</b>	<b>71</b>
2.1 Accounts .....	71
2.2 Main aggregates .....	72
<b>3. Recommended reading .....</b>	<b>77</b>
<b>Chapter 4. Statistical Infrastructure for National Accounts .....</b>	<b>79</b>
<b>1. The basis: business register and statistical classifications .....</b>	<b>81</b>
1.1 Business Register .....	81
1.1.1 Objective .....	81
1.1.2 Variables .....	81
1.1.3 Implementing and developing an SBR .....	84
1.1.4 Questions for practitioners .....	84
1.2 Classifications .....	85
1.2.1 Importance of adopting international classifications .....	85
1.2.2 Implementing a classification .....	85
1.2.3 Main classifications .....	86
1.2.4 Questions for practitioners .....	91
<b>2. Statistical data sources .....</b>	<b>91</b>
2.1 Censuses .....	91
2.2 Surveys .....	92
2.2.1 Agricultural Statistics .....	94
2.2.2 Structural Business Statistics .....	94
2.2.3 Construction Statistics .....	95
2.2.4 Price Statistics .....	95
2.2.5 Household Statistics .....	96
2.3 Concluding remarks .....	97
2.3.1 Questions for practitioners .....	98
<b>3. Recommended reading .....</b>	<b>98</b>
<b>Chapter 5. Administrative Data Sources.....</b>	<b>101</b>
<b>1. What are administrative sources .....</b>	<b>103</b>
<b>2. Transition to national accounts .....</b>	<b>104</b>
2.1 Financial statements of non-financial corporations .....	104
2.2 Financial statements of financial corporations .....	108
2.2.1 Banks .....	108

2.2.2 Insurance services .....	109
2.3 Government financial statement .....	112
2.4 Balance of Payments .....	115
<b>3. Concluding remarks .....</b>	<b>117</b>
3.1 Questions for practitioners .....	117
<b>4. Recommended reading .....</b>	<b>118</b>
<b>Chapter 6. The Informal Sector .....</b>	<b>119</b>
<b>1. The Non-Observed Economy .....</b>	<b>121</b>
<b>2. The Informal Sector .....</b>	<b>124</b>
2.1 Place of the informal sector in the economy .....	124
2.2 Defining the informal sector .....	125
2.3 Informal economy .....	127
2.4 How to measure the informal sector .....	128
2.4.1 Estimation methods .....	128
2.4.2 Statistical data for estimating the informal sector .....	129
2.5 Concluding remarks .....	133
2.5.1 Questions for practitioners .....	133
<b>3. Recommended reading .....</b>	<b>134</b>
<b>Chapter 7. Volume Measures .....</b>	<b>135</b>
<b>1. Price and volume in national accounts .....</b>	<b>137</b>
1.1 Why measure price and volume in SNA? .....	137
1.2 Conceptual background .....	138
1.2.1 Periods .....	138
1.2.2 Indices .....	139
1.2.3 Principles .....	140
1.3 How to measure price and volume in SNA .....	140
1.4 Main sources for price and volume measures .....	142
<b>2. GDP volume measures .....</b>	<b>144</b>
2.1 Production approach .....	144
2.2 Expenditure approach .....	148
2.2.1 Final consumption expenditure .....	148
2.2.2 Gross capital formation .....	149
2.2.3 Imports and exports .....	151
2.3 About PPPs .....	152
<b>3. Concluding remarks .....</b>	<b>153</b>
3.1 Questions for practitioners .....	155
<b>4. Recommended reading .....</b>	<b>155</b>

<b>Chapter 8. Supply and Use Tables .....</b>	<b>157</b>
<b>1. Why we need supply and use tables.....</b>	<b>159</b>
1.1 Supply and use tables within 2008 SNA .....	159
1.2 Benefits of supply and use tables.....	159
<b>2. Basis for building supply and use tables .....</b>	<b>166</b>
2.1 Structure of supply and use tables: aggregates and accounting identities.....	166
2.2. Classifications .....	168
2.3 Valuation issues.....	169
2.3.1 Trade margins.....	169
2.3.2. Transport margins.....	171
2.3.3. Taxes and subsidies on product matrices .....	172
2.4. Statistical unit and data sources .....	173
<b>3. Compilation of supply and use tables.....</b>	<b>174</b>
3.1 Compilation steps.....	174
3.2 Methods.....	176
3.3. Balancing.....	179
3.4. Supply and use tables at current and constant prices.....	180
<b>4. Concluding remarks.....</b>	<b>182</b>
4.1. Questions for practitioners .....	182
<b>5. Recommended reading.....</b>	<b>183</b>
<b>Chapter 9. Measuring quarterly GDP .....</b>	<b>185</b>
<b>1. What are quarterly national accounts and why do we need them? .....</b>	<b>187</b>
1.1 General scope.....	187
1.2 Coverage.....	188
1.3 Some conceptual issues.....	189
<b>2. Data sources and methods used for QGDP compilation .....</b>	<b>190</b>
2.1 Data sources.....	190
2.2 Methods for QGDP compilation.....	193
2.3 Benchmarking .....	196
2.4 Seasonal adjustment methods.....	198
<b>3. Production approach to QGDP .....</b>	<b>202</b>
3.1 Output.....	202
3.2 Intermediate consumption.....	208
3.3 Taxes and subsidies on products .....	209
3.4 Exhaustiveness.....	209
<b>4. Expenditure approach to QGDP .....</b>	<b>210</b>
4.1 Final consumption expenditure of households.....	210
4.2 Final consumption expenditure of general government .....	212
4.3 Final consumption expenditure of non-profit institutions serving households (NPISHs).....	212
4.4 Gross fixed capital formation .....	212

4.5 Changes in inventories.....	213
4.6 Imports and exports of goods and services.....	215
<b>5. Revisions and dissemination .....</b>	<b>215</b>
5.1 Revisions.....	215
5.2 Dissemination and publication.....	219
<b>6. Concluding remarks.....</b>	<b>221</b>
<b>7. Questions to practitioners.....</b>	<b>223</b>
<b>8. Recommended reading.....</b>	<b>223</b>
<b>Annexes .....</b>	<b>225</b>
<b>Scope of the Implementation of the System of National Accounts 2008: Milestones .....</b>	<b>227</b>
<b>Classification of transactions .....</b>	<b>228</b>
Transactions in products (P) .....	228
Distributive transactions (D) .....	229
Current transfers in cash and kind (D.5-D.8) .....	230
