I. General Description of Forest Sector	11
1. Forest Resources and ownership	13
Principal area categories, 2005	18
Basic forest resources, 2000 and 2005	21
Volume of the growing stock 2005.....	22
Ownership of forest and other wooded land, 2000.....	23
2. Economy	25
Percentage of gross value added at basic prices for agriculture as a whole and for NACE divisions regarding the Forest Sector.....	30
3. Employment	33
Employment in agriculture, forestry and forest industries compared with all sectors, 2000 and 2005	36
4. Energy	39
Share of primary energy produced from renewables (including wood) to all products.....	45
Share of renewables (including wood) gross inland consumption to all products.....	46
Share of final consumption of energy from wood and wood waste at household level	47
5. Forest Condition	49
6. Forest Fires	55
7. Windstorms	65
II. Production and trade of wood and wood products	71
1. Removals	73
Removals of roundwood by coniferous and non-coniferous species.....	78
Removals by roundwood category.....	79
Removals of Industrial roundwood.....	80
Removals by forest ownership category.....	82
2. Production and trade of wood products	83
Production and trade for roundwood	88
Production and trade for sawnwood	90
Production and trade for wood based panels.....	92
Production and trade for pulp.....	94
Production and trade for paper and paperboard	96
