

## Table of Contents

<b>Demography</b> .....	<b>11</b>
Population and population density.....	12
Population growth.....	14
Population growth and breakdown by age group .....	16
Crude birth, death and natural increase rates .....	18
Fertility, infant mortality and life expectancy .....	20
<b>Education</b> .....	<b>23</b>
Early school leavers .....	24
Completion of upper secondary education .....	26
Number of pupils/students by ISCED level of education .....	28
Tertiary graduates in science and technology.....	30
Expenditure in education and participation in training .....	31
<b>Social indicators</b> .....	<b>33</b>
Wages and salaries and the equality of income distribution ..	34
Social inequality.....	36
Household consumption expenditure and social expenditure .....	37
<b>Labour force</b> .....	<b>39</b>
Employment rates and activity rates.....	40
Employment rates and activity rates by gender .....	42
Employment rates for older workers (aged 55-64) .....	44
Number of persons employed and employment by sector ....	46
Unemployment rates.....	48
Long-term and youth unemployment .....	50
<b>National accounts</b> .....	<b>53</b>
GDP.....	54
Final consumption expenditure and breakdown of GDP .....	56
External trade relative to GDP .....	59
Breakdown of gross value added by sector.....	61
Relative change in gross value added by sector.....	63
Labour productivity and employment change.....	65
<b>Finance</b> .....	<b>67</b>
General government deficit and debt.....	68
General government and gross foreign debt .....	70
Balance of payments and the current account .....	72
Foreign direct investment (FDI) .....	74
Money supply .....	76
Exchange rates and consumer price indices .....	78

<b>Agriculture .....</b>	<b>81</b>
Utilised agricultural area.....	82
Utilised agricultural area, wooded area and other land.....	84
Livestock and dairy cows.....	86
Animals for slaughter.....	88
Crop production .....	90
<b>Energy.....</b>	<b>93</b>
Energy intensity, electricity generation and renewable energy .....	94
Primary production of energy .....	96
Energy supply and consumption .....	98
Breakdown of final energy consumption .....	101
<b>Industry, construction &amp; services .....</b>	<b>105</b>
Production and output price indices .....	106
Construction output and costs .....	108
Retail trade and tourism .....	110
<b>Transport.....</b>	<b>113</b>
Transport infrastructure .....	114
Inland transport and number of cars.....	116
Freight transport .....	118
<b>Communication &amp; information society.....</b>	<b>121</b>
Fixed and cellular telephony.....	122
Personal computers and the internet.....	124
Enterprises and the information society .....	124
<b>External trade in goods.....</b>	<b>127</b>
Total external trade in goods .....	128
External trade with the EU .....	130
Trade balance .....	132
Breakdown of exports .....	134
Breakdown of imports.....	136
External trade by partner .....	138
<b>Research &amp; development .....</b>	<b>141</b>
<b>Environment .....</b>	<b>145</b>
<b>Methodological notes .....</b>	<b>149</b>
