In accordance with Art 13 of Annex XI Staff Regulations the members of this group are 'experts from the appropriate authorities in the MSs'. It is for the authority of each MS to decide on who will represent them. It

is important that participants are able to contribute to technical decisions; an active involvement in national price statistics and a general background in spatial or temporal comparisons, household budget statistics, employment law and/or other aspects of expatriate remuneration is therefore desirable.

In addition to delegates from MS, participants are invited.
