## CHAPTER 1: Introduction

1.1	Background.....	5
1.2	Description of module .....	6
1.3	List of participating countries.....	8

## CHAPTER 2: Data collection and methodology

2.1	Main characteristics of data collection .....	9
2.2	Population units and sampling rate .....	11
2.3	Editing and imputation .....	12
2.4	Subpopulations due to filters.....	13
2.5	Item non-response rate after imputation.....	15
2.6	Proxy interviews by country .....	16
2.7	Publication limits for estimates .....	17

## CHAPTER 3: Quality assessment of variables

3.1	National implementation of variables.....	19
3.3	Univariate distribution by country .....	24
3.4	Comparison AHM 2018 with modules previous years.....	37

## CHAPTER 4: Conclusions and recommendations

4.1	Data collection and methodology.....	38
4.2	Quality assessment of variables.....	38

Annex 1:	Technical characteristics and model questionnaire .....	40
----------	---	----

Annex 2:	Additional tables and figures .....	63
----------	-------------------------------------	----
