

Glossary:Eurostat

Statistics Explained

Eurostat is the statistical office of the [European Union](#), based in Luxembourg (LU). It publishes official, harmonised statistics on the European Union and the [euro area](#), offering a comparable, reliable and objective portrayal of Europe's society and economy.

A vast range of data is available for the EU as a whole, for Member States and in many cases also for [candidate countries](#), [EFTA](#) members and other European countries, down to the level of regions and cities. All users may consult or download data and publications free of charge from the [Eurostat web site](#).
