< Interactive graph to be set by unit B4 :>

or

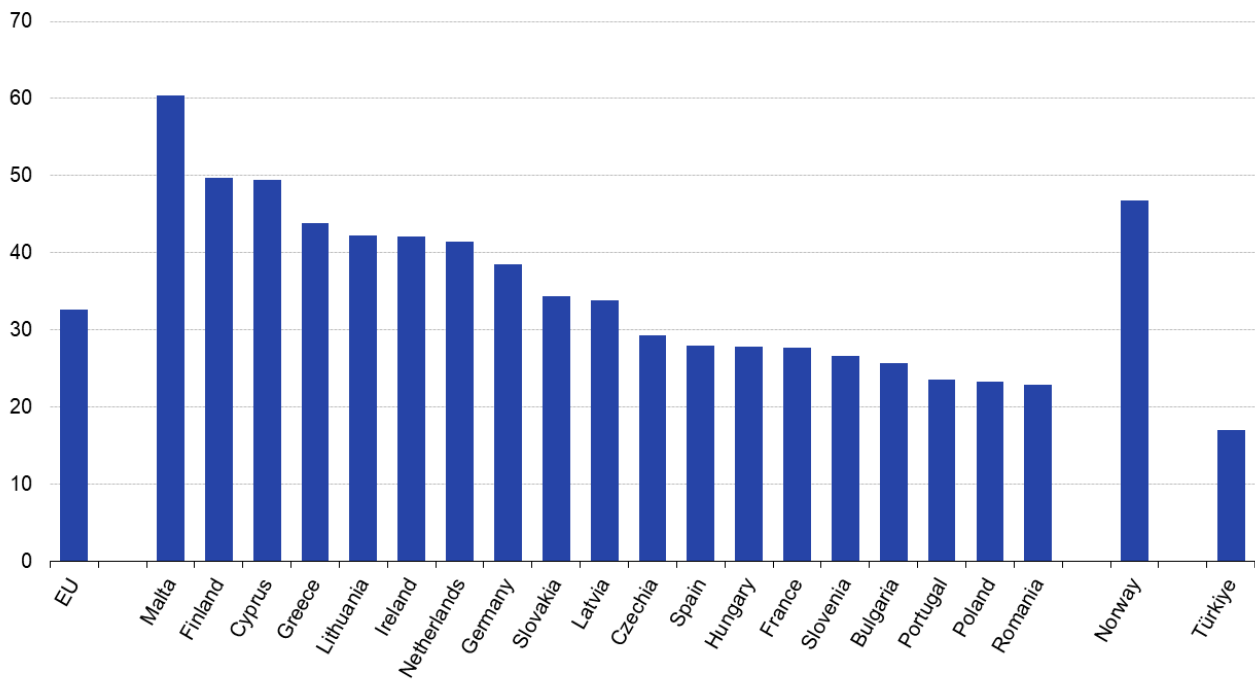

< Vistool graph to be inserted by author unit :>

Introduction text should briefly describe what the article is about and mention general findings or trends. This part is the hook for the reader to entice them to read on. It should not include methodological information; this should be placed under the sections Data details and Context.

Section title

Insert text

Enterprises paying to advertise on the internet, 2024
(% of enterprises)

Note: Only countries with available data for 2024 are presented in the graph.
Source: Eurostat (online data code: isoc_cismt)

Insert only Table, Figure or Map # Source: Eurostat (isoc_cismt)

Section title

Insert text

Insert only Figure #

Source data for tables and graphs

- [Download Excel file](#)

Data sources

< description of data sources, survey and data availability (completeness, recency) and limitations >

Context

< context of data collection and statistical results: policy background, uses of data >
