

# Glossary:European statistics on tourism

Statistics Explained

Regulation (EU) No 692/2011 of 6 July 2011 establishes a common framework for the systematic development, production and dissemination of European statistics on [tourism](#) . For this purpose, Member States transmit harmonised statistics on tourism supply and demand.

## Tourism supply statistics (Accommodation statistics)

- Data on rented accommodation (capacity and occupancy of [tourist accommodation establishments](#) in the reporting country ( [resident](#) and [non-resident](#) guests)).

## Tourism demand statistics

- Data on participation in tourism of the residents of the reporting country.
- Data on the characteristics of tourism trips made by the residents of the reporting country.
- Data on the characteristics of same-day visits made by the residents of the reporting country (first [reference year](#) : 2014).
