

ONLINE PUBLICATION

Eurostat regional yearbook

The *Eurostat regional yearbook* is an online Eurostat publication, also downloadable in [PDF format](#) and available in print. An interactive version of the publication has also been produced: [Regions in Europe – 2025 edition](#) .

The chapters in this online publication are updated or replaced once a year. The current versions are based on a set of data that was extracted between March and May 2025.

All maps can be explored interactively using Eurostat's [statistical atlas](#) .
