- Other

Please specify your experience in ETC

Please specify your experience in European Commission Programmes

Please specify your experience in national or regional programmes/funds

Please specify your experience in international programmes/funds

Please specify

Specific Expertise for Quality Assessment

Expertise in Interreg CENTRAL EUROPE programme specific objectives

Please indicate your thematic expertise in relation to the specific objectives of the Interreg CENTRAL EUROPE Programme by rating it on a 5-points scale.

5 – excellent, 4 – very good, 3 – average, 2 – slight, 1 – no

Please also indicate for your main fields of expertise (for given scores equal or higher 3) how long you have been working in this thematic field.

For further information on the programme specific objectives please refer to the Interreg CENTRAL EUROPE Cooperation Programme.

Programme specific objective

	Score 1 (no) to 5 (excellent)	How long have you been working in this thematic field?
1.1 To improve sustainable linkages among actors of the innovation systems for strengthening regional innovation capacity in central Europe		
1.2 To improve skills and entrepreneurial competences for advancing economic and social innovation in central European regions		
2.1 To develop and implement solutions for increasing energy efficiency and renewable energy usage in public infrastructures		
2.2 To improve territorially based low-carbon energy planning strategies and policies supporting climate change mitigation		
2.3 To improve capacities for mobility planning in functional urban areas to lower CO2 emissions		
3.1 To improve integrated environmental management capacities for the protection and sustainable use of natural heritage and resources		
3.2 To improve capacities for the sustainable use of cultural heritage and resources		
3.3 To improve environmental management of functional urban areas to make them more liveable places		
4.1 To improve planning and coordination of regional passenger transport systems for better connections to national and European transport networks		
4.2 To improve coordination among freight transport stakeholders for increasing multimodal environmentally-friendly freight solutions		

Please select from the list of pre-defined specialist fields the ones which match your specific expertise.

- Information and communication technologies
- Finance
- Innovation management
- Social innovation
- Innovation support for SMEs
- Cluster development
- Knowledge and technology transfer
- Research and innovation policy
- Demographic change
- Health
- Energy efficiency
- Renewable energy sources
