

EU GW2021 Partner Events

Fields marked with * are mandatory.

EU Green Week is your annual opportunity to debate and discuss European environmental policy. Organised by the European Commission's Directorate-General for Environment, this key event in the environment policy calendar attracts policy makers, leading environmentalists, stakeholders and other interested parties from across Europe and around the globe.

The 2021 edition of EU Green Week will take place from **31 May to 4 June 2021**, with **Partner Events** taking place between **3 May and 13 June**.

Seize the moment, contribute to a Zero Pollution Europe! Register as an EU Green Week Partner Event.

EU Green Week 2021 will be dedicated to the 'zero pollution ambition'. It will also look at other relevant European Green Deal initiatives, such as the climate initiatives and the upcoming Chemicals Strategy, as well as initiatives in the fields of energy, industry, mobility, agriculture, fisheries, health and biodiversity. EU Green Week 2021 will be an opportunity to engage with all stakeholders and interested citizens (that means you!) on how we can work together to make the ambition for a zero pollution and toxic-free environment a reality.

Any kind of event is welcome, from conferences and workshops to exhibitions, webinars, networking and online events. Activities can take place at all levels (local, regional, national or European), online, offline or in hybrid format.

If you are organising an event related to the theme described above between 3 May and 13 June 2021 and would like to know whether it should be registered as an EU Green Week Partner Event, check out the [guidelines](#).

How to proceed?

If you want to apply, please complete this online form (in English only) and provide all mandatory information. If the form is not fully completed, you will not be able to submit the information.

Please ensure that before you submit the form, you prepare **your event description**, the **signed and scanned [Partnership Agreement](#)** and all related communication materials (i.e. banner, logo, draft programme) for upload.

To organise your event in the most environmentally responsible way, please check out the [EC guide for sustainable meetings and events](#).

Although the **deadline for submissions is 15 April 2021**, you are invited to register your interest early to

facilitate the related logistics. The promotional materials provided for selected partner events are limited and will be sent on a 'first come first served' basis.

You can save your application and complete it later or modify it after submission. To modify, you need to:

- Save the **contribution-ID** that was shown after you submitted your application.
- Visit the [EUSurvey homepage](#).
- Below the 'Register Now!' button is a link to the access page for individual applications.
- On this page, you must fill in your individual contribution-ID and the system will open your application.

This way you can edit your application at a later stage. More information is available on the [Help Page for Participants](#).

Contact the EU Green Week Partner Events Secretariat when you modify your application so that we are aware of this, and for any specific questions:
