InnoTrans 2024: EU-Rail Guided Tours

Fields marked with * are mandatory.

InnoTrans 2024
EU-Rail Guided Tours

Join our Guided Tours at InnoTrans 2024 to explore cutting-edge rail solutions developed under the EU-Rail and S2R programs. This exclusive opportunity allows participants to engage directly with experts and see innovations firsthand. Highlights include the Flexx & Distance Master, different models of the Digital Automatic Coupler (DAC), the ERTMS Trackbot, and much more. These tours offer a unique chance to connect with our founding members, ask questions, and understand how our innovations will make rail the everyday mobility.

  (EU-Rail, Siemens, Talgo, and Hitachi)
- I will not participate on Wednesday

I want to learn more about the following EU-Rail/Shift2Rail solutions:

• **Photo and video disclaimers**: Photographs and/or video will be taken at the event. By taking part in this event you grant the event organisers full rights to use the images resulting from the photography/video filming, and any reproductions or adaptations of the images for fundraising, publicity or other purposes. This might include (but is not limited to), the right to use them in printed and online publicity, social media, press releases and funding applications.
  - Please indicate here if you give your explicit consent to be photographed or filmed at the event.
  - Please indicate here if you **do not** wish to be photographed or filmed at the event.

• I give my explicit consent that my personal contact details (name, surname, title, job function, organisation, country, email) are included in the list of participants that will be distributed at the meeting, for professional networking purposes only. For more details on the processing operation of personal data by Europe’s Rail JU please read our privacy notice: privacy policy on event organisation.
