

EUMOFA participation at Conxemar 2018, Vigo Spain

[1]

02/10/2018 to 04/10/2018

Representatives of EUMOFA (European Market Observatory for Fisheries and Aquaculture Products), the market intelligence tool of the European Commission, will attend Conxemar, the international frozen seafood exhibition that will take place on 2-4 October 2018 in Vigo, Spain.

EUMOFA will participate in the exhibition to present its services, website, tools, and analyses. In addition to printed materials, practical demonstrations of EUMOFA's data and extraction tools will be offered to interested users.

Come and visit EUMOFA in Area E, stand **E2**.
