

**INFORMATION ON STATES AND THEIR COMPETENT AUTHORITIES
NOTIFIED UNDER ARTICLE 20(1) AND (2)**

(as of 23 January 2018*)

Below is the information on third countries having already notified their competent authorities to the Commission in accordance with Article 20(1) and (2) of the IUU Regulation. This information includes the names of the authorities notified in accordance with Annex III of the IUU Regulation, which are competent for:

1. the registration of fishing vessels under the flag of the Flag State;
2. granting, suspending and withdrawing licenses to the fishing vessels of the Flag State;
3. attesting the veracity of the information provided in the catch certificates referred to in Article 12 and for validating such catch certificates;
4. the control and enforcement of laws, regulations and conservation and management measures which must be complied with by fishing vessels;
5. the verifications of catch certificates to assist the competent authorities of Member States through the administrative cooperation referred to in Article 20(4);
6. the communication of a sample form of the catch certificate in accordance with the specimen in Annex II and
7. updating the notifications.

NB:

For countries having notified before 1 January 2010, the date of implementation of their notification is 1 January 2010. Catches made from 1 January 2010 need to be accompanied by a catch certificate.

For countries having notified after 1 January 2010, the date in brackets next to the name of the country refers to the date of acceptance by the Commission of the Flag State Notification. Only catches made from that date are authorised to import to the EC, when accompanied by a valid catch certificate.
