Annex II

Additives Subject to the provisions of Art. 10 § 2 of Reg. (EC) No 1831/2003 for which no application for reevaluation was submitted before the deadline of 8 November 2010.

The additives listed below are additives considered as existing products within the meaning of Article 10(1) of Regulation (EC) No 1831/2003 and for which no application for re-evaluation was submitted by 8 November 2010.

In accordance with Article 10(2) of Regulation (EC) No 1831/2003, the deadline of 8 November 2010 for submitting an application for re-evaluation applied to the following existing products:

- products which were authorised pursuant to Directive 70/524/EEC without a time limit;
- products which were authorised pursuant to Directive 82/471/EEC.

In accordance with Article 10(7) of the same Regulation, the deadline of 8 November 2010 also applied to products used as silage additives.

VERY IMPORTANT NOTE:

- Due to the increasing number of pages, the Register is now split in two separate files, Annex I being the main one. All modifications in this annex II are described at the beginning of Annex I: https://ec.europa.eu/food/safety/animal-feed/feed-additives/eu-register_en
