Privacy statement

Purpose and scope of personal data processing:

As a part of its efforts to enhance the transparency of the European decision making process, a public document of European and National Authorities addresses engaged in EU policy-making and policy implementation in the area of food contact materials has been established and made publicly available on the website of Directorate General Health and Food Safety in the section "Food Contact Materials".

The purpose and objective of this document is to provide information about the landscape of European organisations engaged in EU policy-making and policy implementation in the area of food contact materials as comprehensively as possible and to allow better contacts with business, civil society and public actors in the field of Food Contact Materials.

On the basis of the Code of Good Administrative Behaviour, which was adopted by the Commission on 13 September 2000 and which applies to Commission staff in their dealings with the public the European civil service is committed to the values of service, independence, responsibility, accountability, efficiency and transparency.

The DG Health and Food Safety will record and further process the personal data to the extent that the document "European Professional Organisations" can be made available on the website of Health and Consumer Protection, Food Contact Materials in the section "Documents".

The information collected, the purpose and the way of data collection

Personal data collected and further processed concern the experts of European Professional Organisations related to and / or with whom the Section "Food Contact Materials" of DG Health and Food Safety is in contact, and can relate to the following data:

- Name;
- Function;
- Contact details (e-mail address, business telephone number, mobile telephone number, fax number; postal address, company and department, country of residence, internet address).

Collection of personal data from the mentioned persons was done after request by e-mail.

The data are recorded and stored during the period for which the contact persons have been appointed, within a maximum period of 30 years.

Your data will be handled in conformity with Regulation (EC) N° 45/2001 on the protection of individuals with regard to the processing of personal data by Community institutions and bodies and on the free movement of such data.
http://ec.europa.eu/geninfo/legal_notices_en.htm#eprsonaldata.

Right of rectification & personal data controller

Should you require further information concerning the processing of your personal data or exercise your rights (e.g. verify, access or rectify any inaccurate or incomplete data) please contact the person responsible in the Unit for updating the website on food contact materials, at the email given at the top of this document.

Right of recourse

You have the right of recourse at any time to the European Data Protection Supervisor at edps@edps.europa.eu.
