05 May: 09:30 – 16:00 Room 1. A (lunch 12:30 – 14:00)

- 5) Discussion on the Union Measure on printed food contact materials
- 6) Discussion on the 8th amendment to Regulation (EU) No 10/2011

Please note that in the morning a stakeholder workshop takes place in the context of a fitness check Union legislation on chemicals (excluding REACH). This is organised by colleagues for DG ENV. The workshop is targeted at participants with expertise in the risk assessment procedures and risk management approaches associated with the different pieces of chemicals and chemicals-related legislation covered by the study¹, including FCM legislation

This workshop may be relevant to some participants of the FCM working group. Separate invitations will be provided.

Please note that further discussions on recycling have been postponed until Q3 2017.
