STANDING COMMITTEE ON THE FOOD CHAIN AND ANIMAL HEALTH
Section Biological Safety of the Food Chain
08 JULY 2014

ADDENDUM 1

Section A  Information and/or discussion

The documents under Section A will not be distributed at the meeting.

A.06  Presentation by FVO/G4 of a draft report as regard an audit on fish and fishery products carried out in Nicaragua.

Concerns expressed on the illegal practice to store fishery products in tanks previously used for storing fuel. MS will be requested to verify if this illegal practice is also used on board EU vessels.
