1. Exchange of views on a draft Commission Regulation refusing to authorise certain health claims made on food, other than those referring to the reduction of disease risk and to children's development and health. (CA, LK)

2. Exchange of views on a draft Commission Regulation on the authorisation and refusal of authorisation of certain health claims made on food and referring to the reduction of disease risk and to children's development and health. (CA, LK)

4. Exchange of views and possible opinion on a draft Commission Regulation concerning the authorisation and refusal of authorisation of certain health claims made on food and referring to the reduction of disease risk and to children's development and health (SANCO/4984/2009) (Right of scrutiny of the European Parliament). (CA, LK)

5. Exchange of views and possible opinion on a draft Commission Regulation refusing to authorise certain health claims made on food, other than those referring to the reduction of disease risk and to children's development and health (SANCO/4985/2009) (Right of scrutiny of the European Parliament). (CA, LK)

6. Exchange of views and possible opinion on a draft Commission Regulation on substances that may be added for specific nutritional purposes. The proposal consolidates the existing rules and amends the list of authorised sources of substances that may be added to foods for particular nutritional uses and for which the European Food Safety Authority (EFSA) has given a favourable opinion.
