

Urban Agenda for the EU: a stronger Better Regulation strand

David Schutrups | *Europa Decentraal*
Coordinators' & Action Leaders' Meeting
3 June 2020

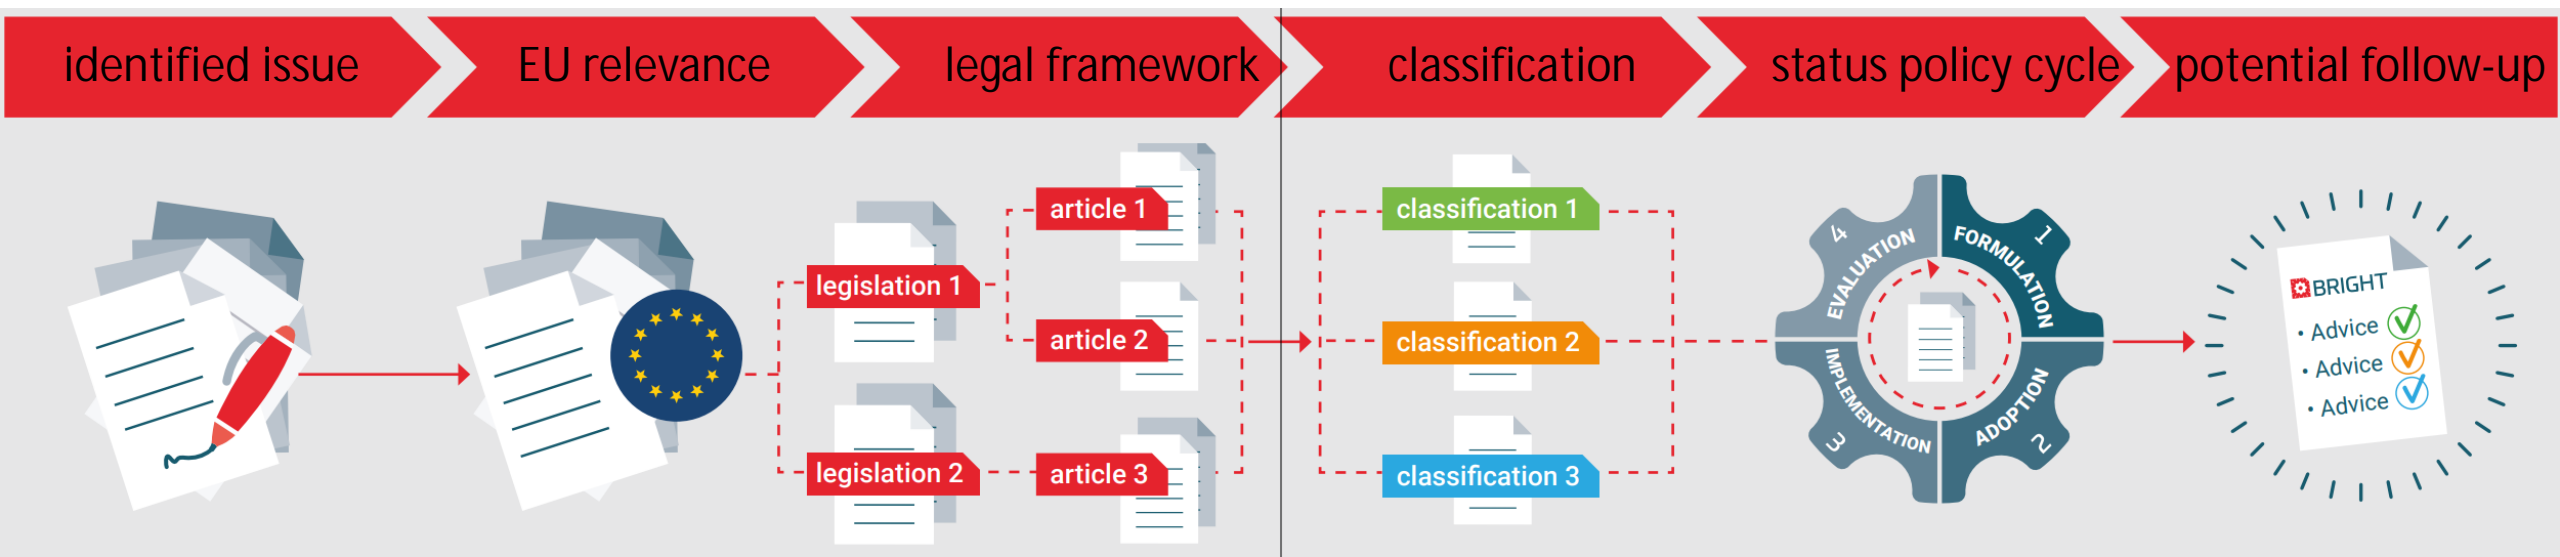

EU law and policy institute *Europa decentraal*

- Publicly funded independent institute – based in the Hague.
- Informs and advises local and regional authorities on EU law and policy.
- Expertise on Better Regulation (BR).
 - ***Stocktaking report on regulatory barriers at the local level*** (Dutch EU-presidency 2016).
 - Development of a ***methodology and e-learning tool*** for authorities to make better use of the EU Better Regulation Agenda (www.bright-tool.eu).
 - Expert contribution on the ***Better Regulation actions of the Circular Economy partnership*** (2017-2020).

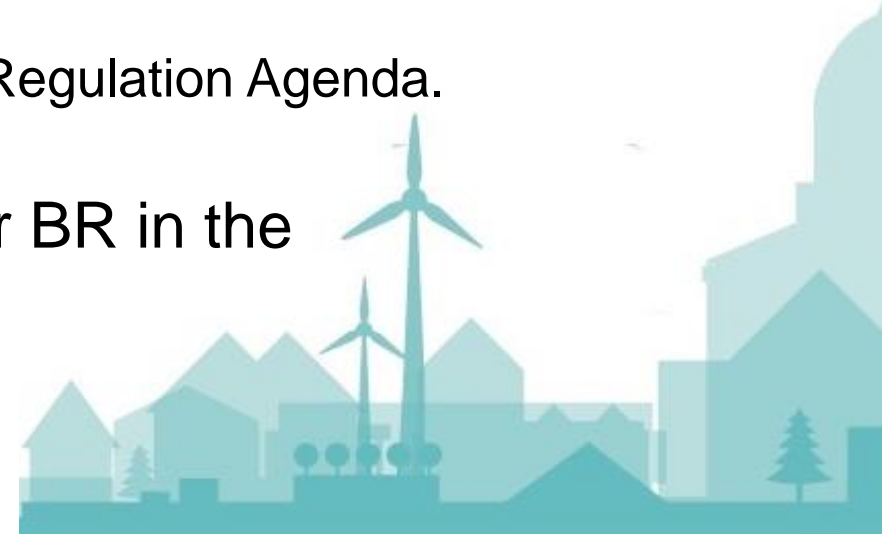

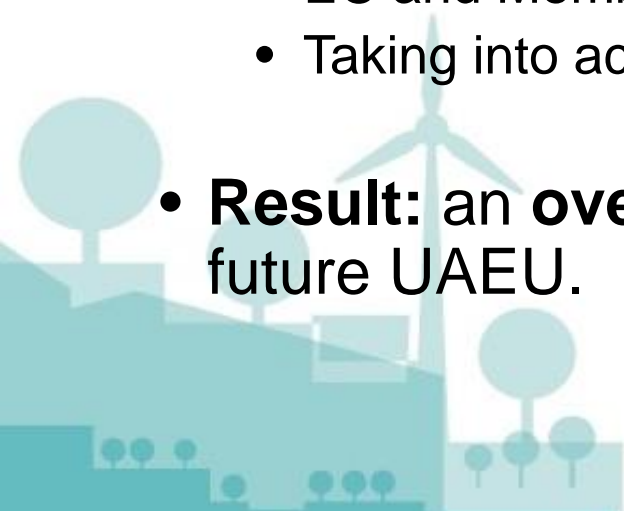

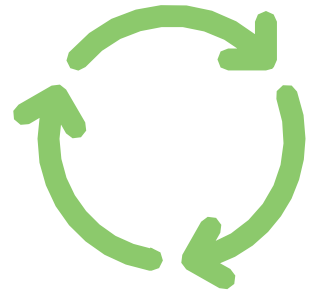

a.) Quick Scan of BR actions already undertaken

- Goal: **increase impact** of existing BR actions.
- Assessment of all 31 actions using a proven selection framework.
- Result: identification of actions **most likely to yield follow-up success.**

b.) A strategy and framework for BR in the future UAEU

- UAEU already at the forefront of multi-level governance and EU stakeholder participation!
- **Updating the strategy and governance of the BR pillar** can contribute to the effectiveness and impact of the future UAEU.
 - Using the **lessons learned** in the partnerships since 2016.
 - **Consulting and cooperating** with CoR, LRA's, stakeholder organisations, EC and Member states.
 - Taking into account **new developments** in the EU Better Regulation Agenda.
- **Result:** an **overview of different paths forward** for BR in the future UAEU.
