

# Refugee Conference

## Solution directions by Ink Strategy

✘ Gemeente  
✘ Amsterdam  
✘

# Process

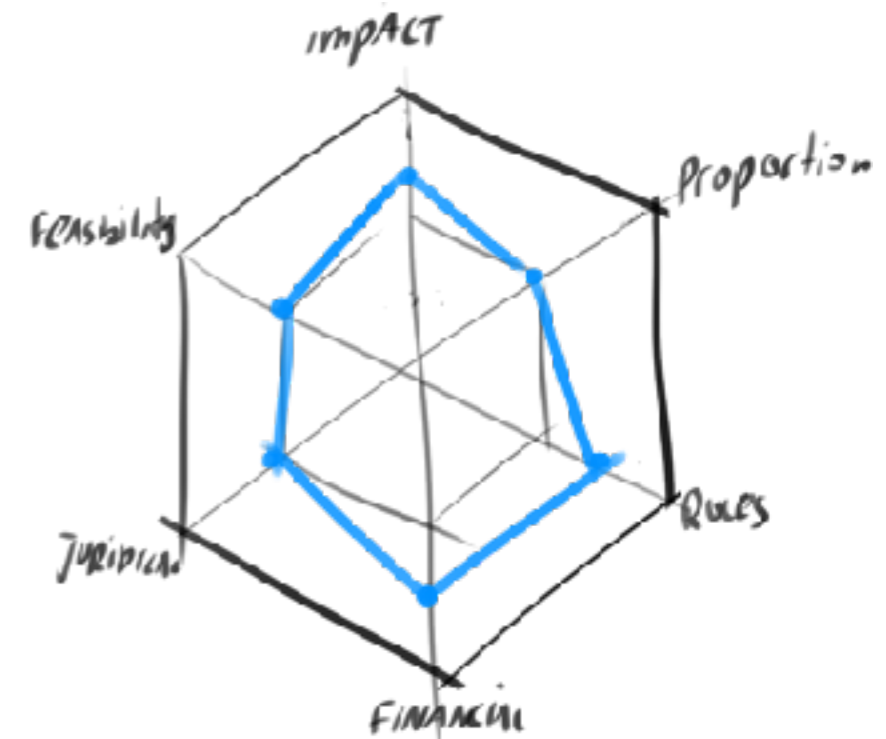

# Language

**Problem** Where do you learn a new language?

**Solution** Organise non-formal education

## Subsidiariteit:

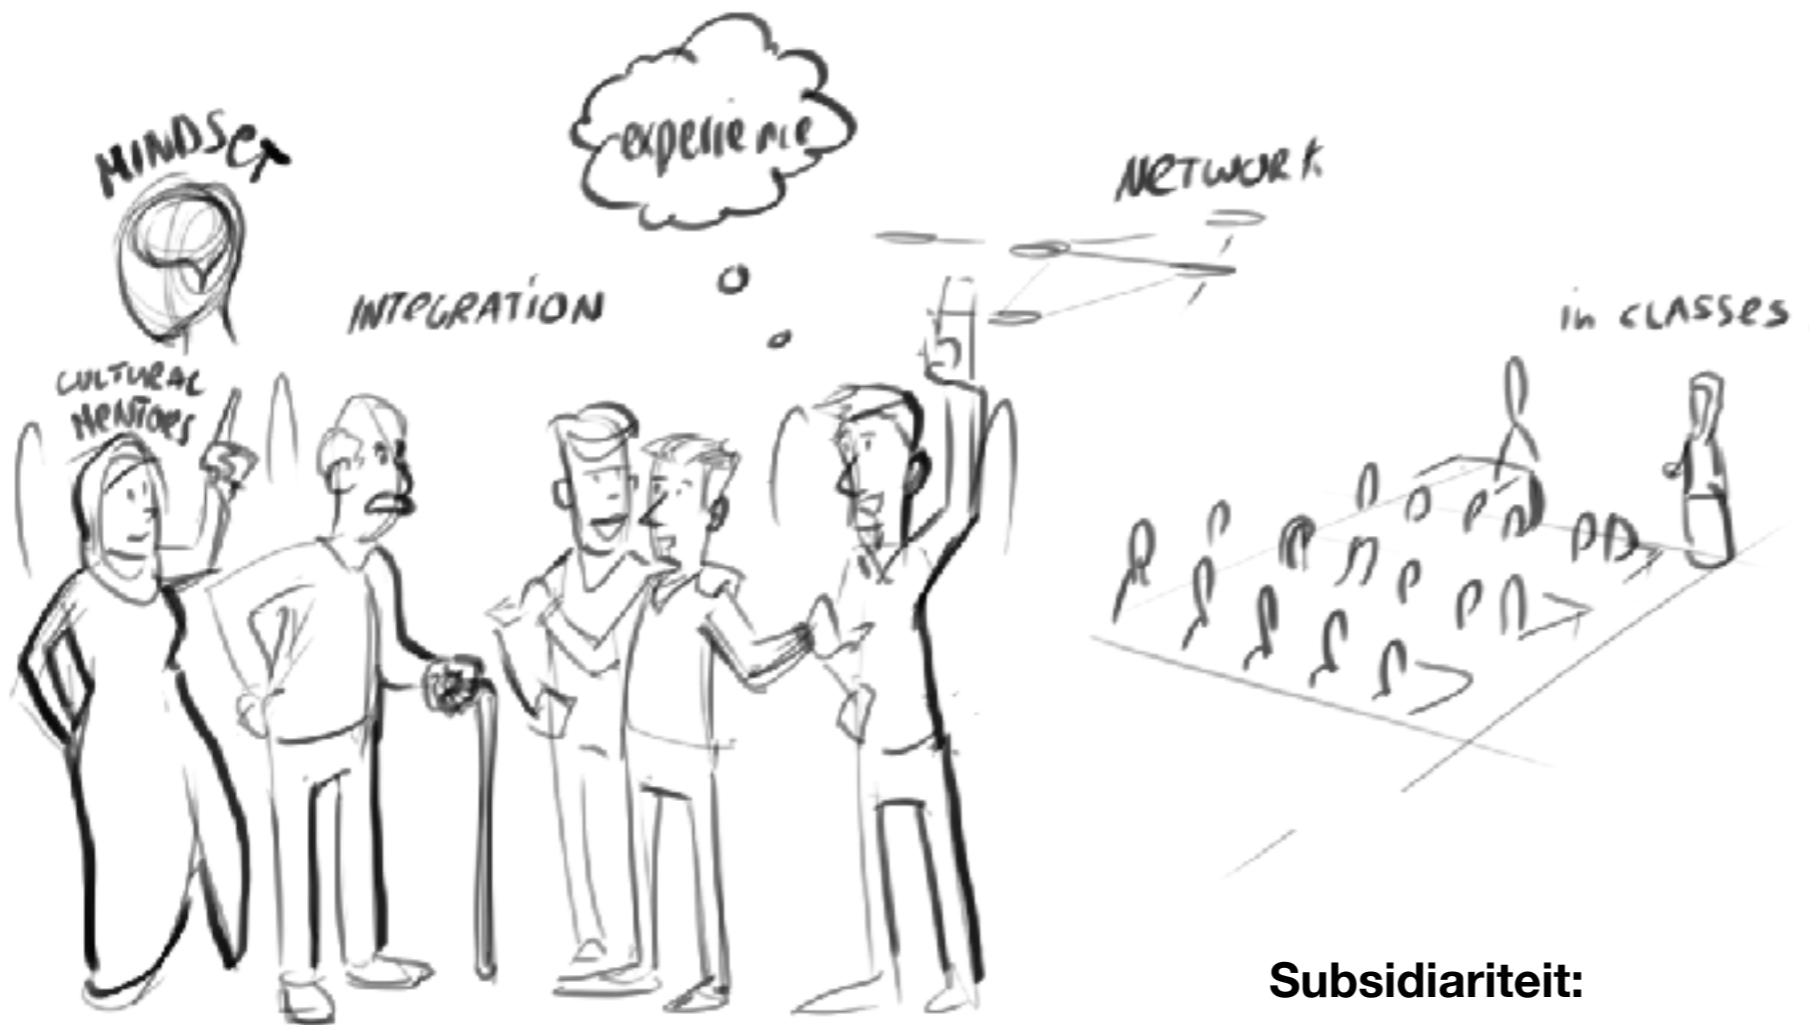

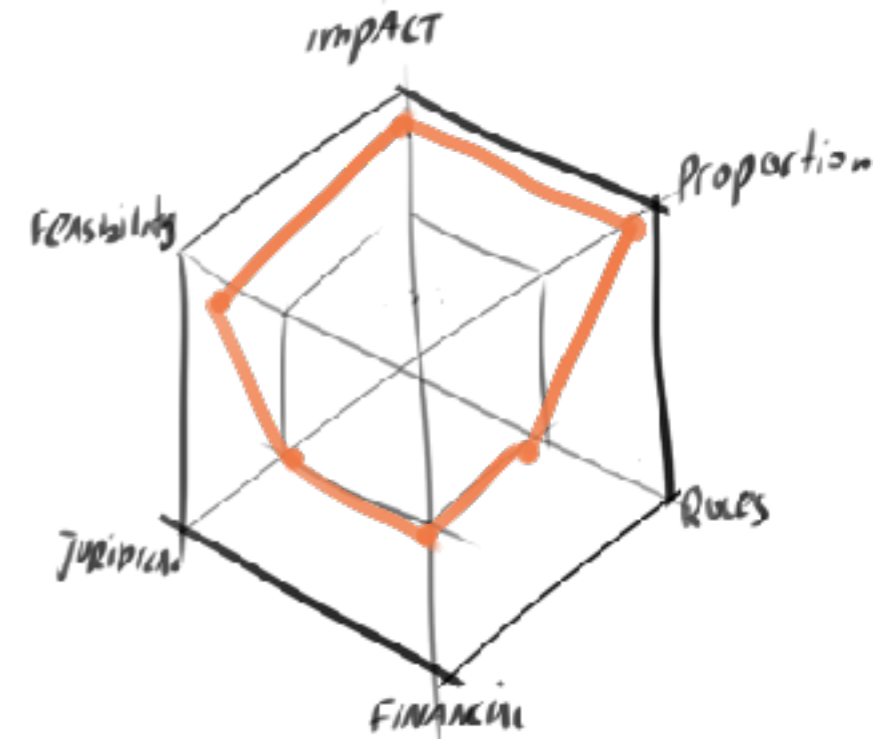

- EU
- National
- Regional

# Social Inclusion: Buddy System

**Problem** R&M are standing on their own in the integration process

**Solution** Create a buddy-system to create integration partners

**Subsidiariteit:**

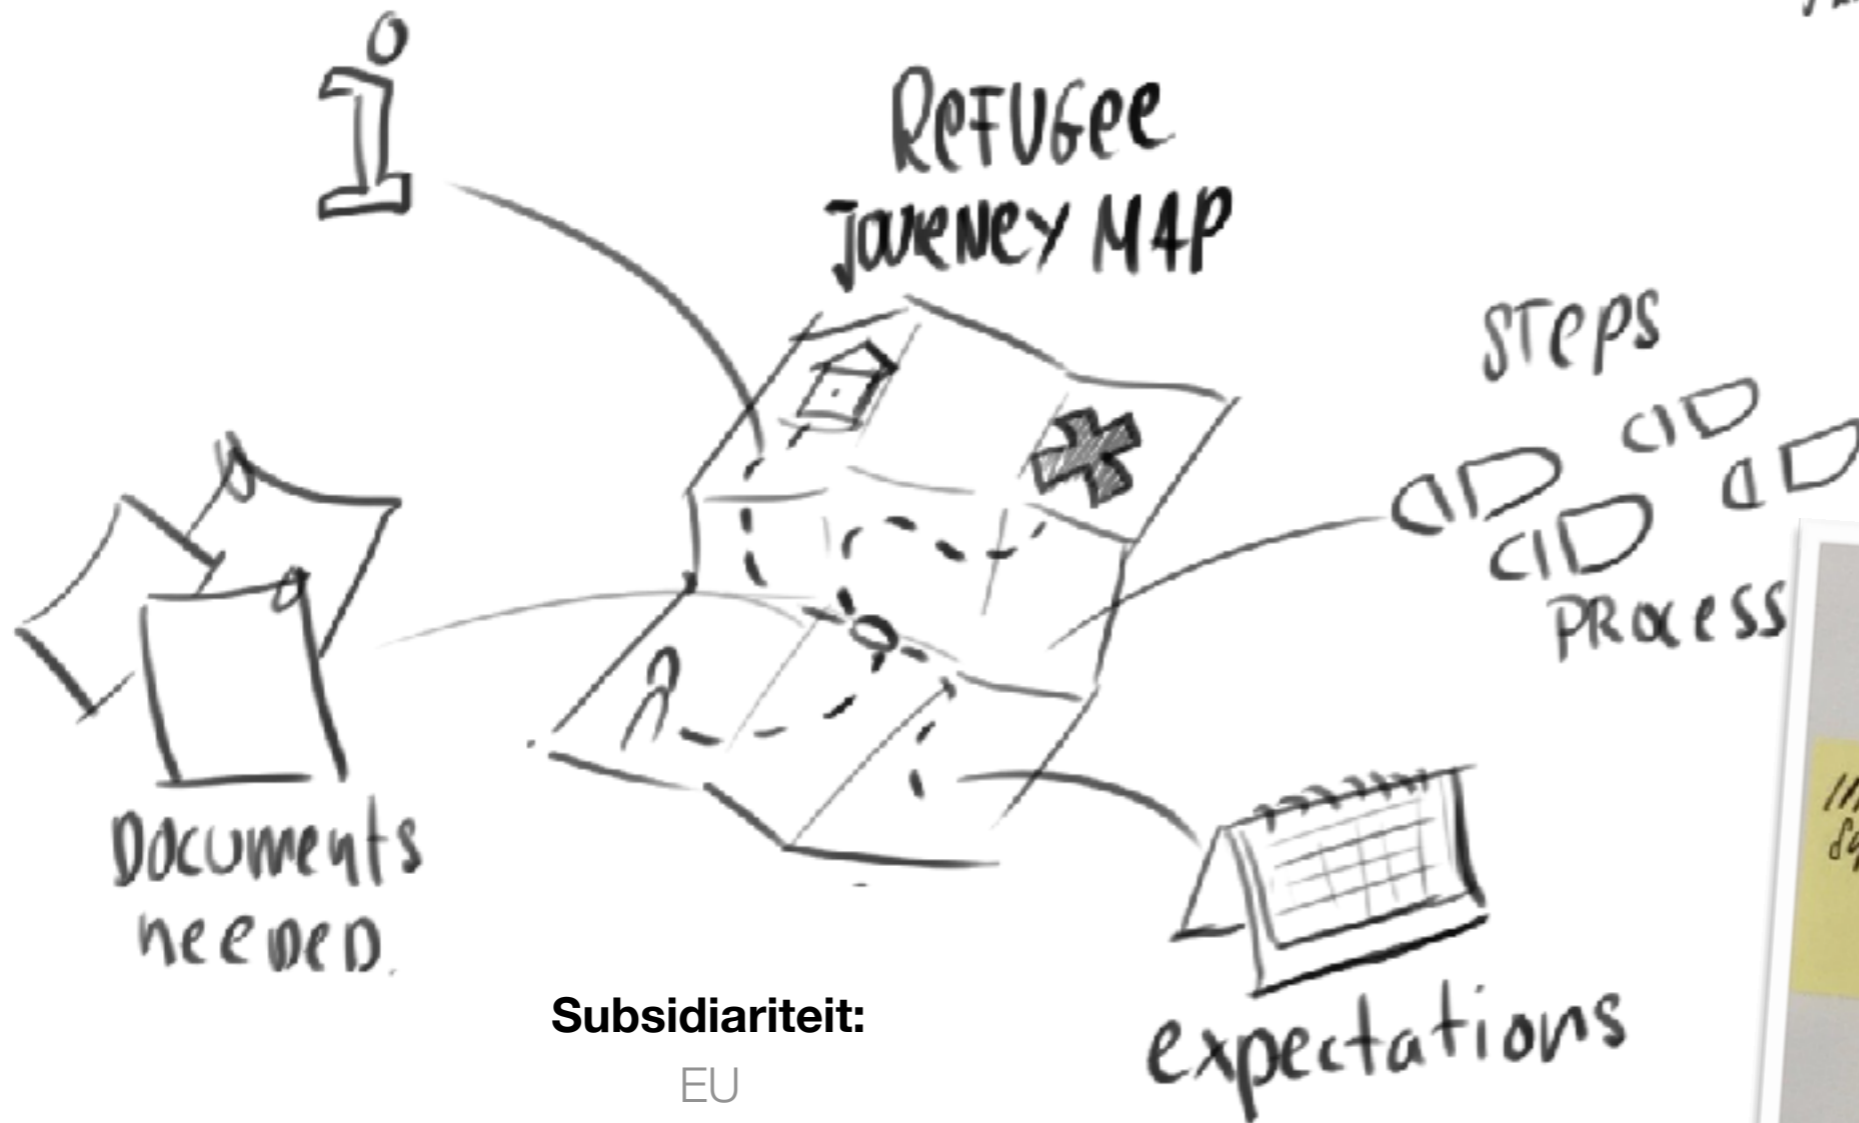

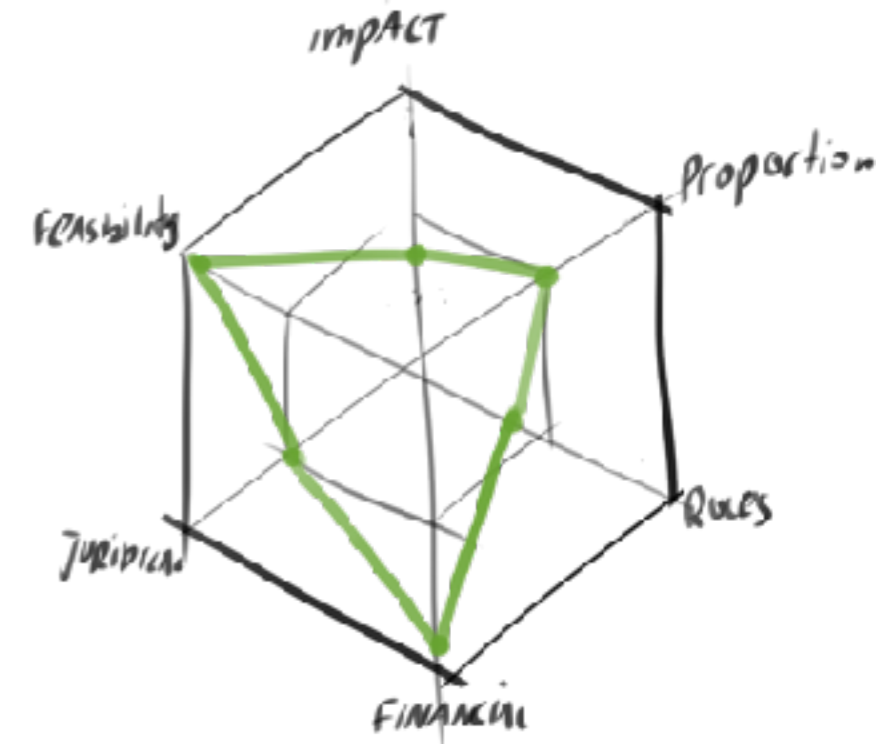

- EU
- National
- Regional

# Information: Journey Map

**Problem** Lack of information in camps about the process

**Solution** Create a map with expectations and steps to take

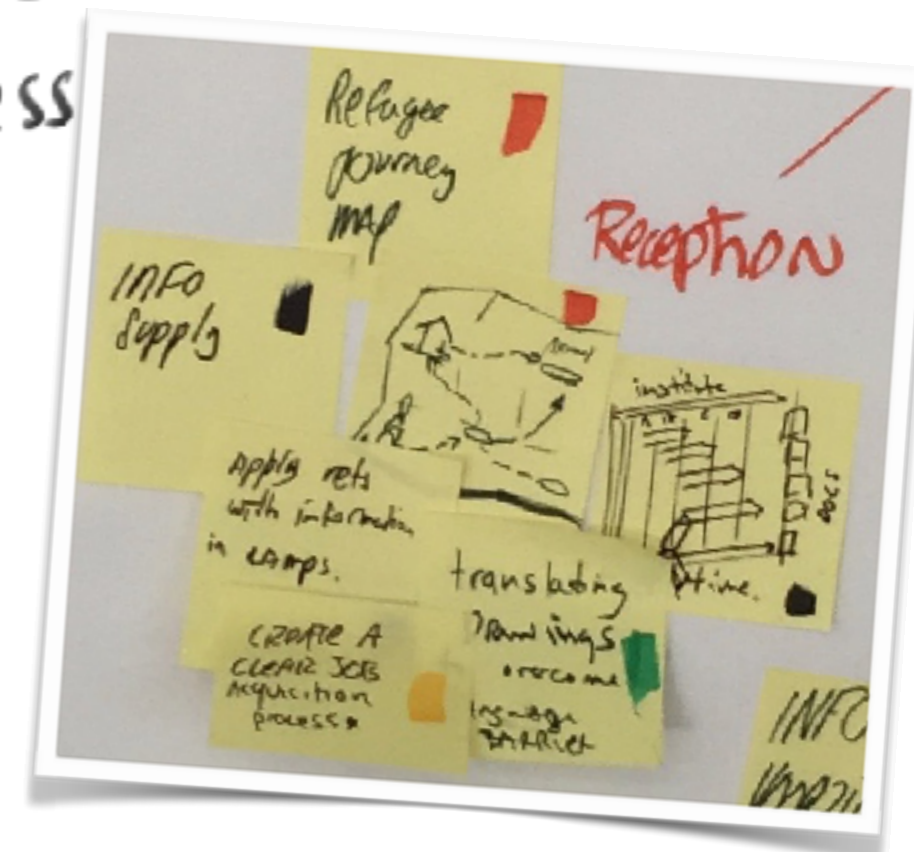

**Subsidiariteit:**

EU

National

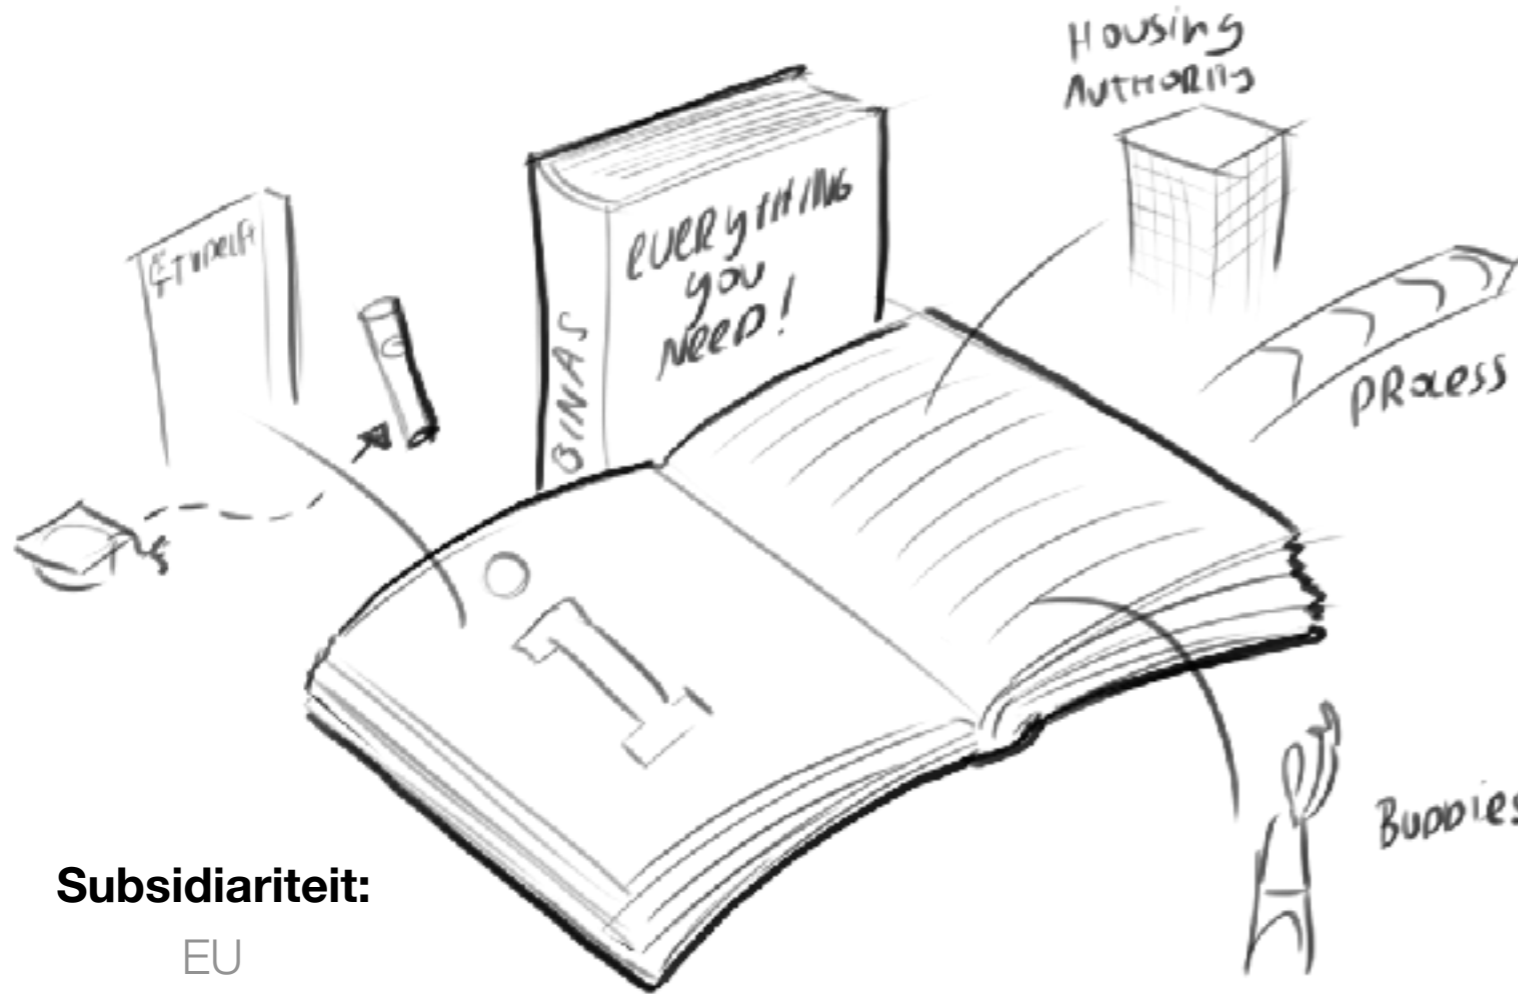

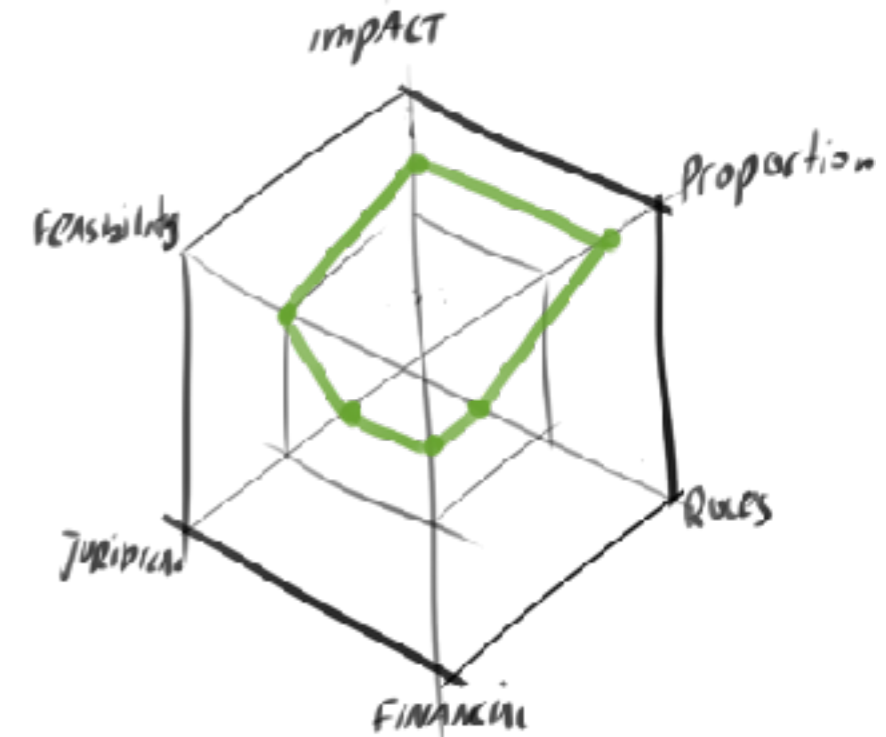

Regional

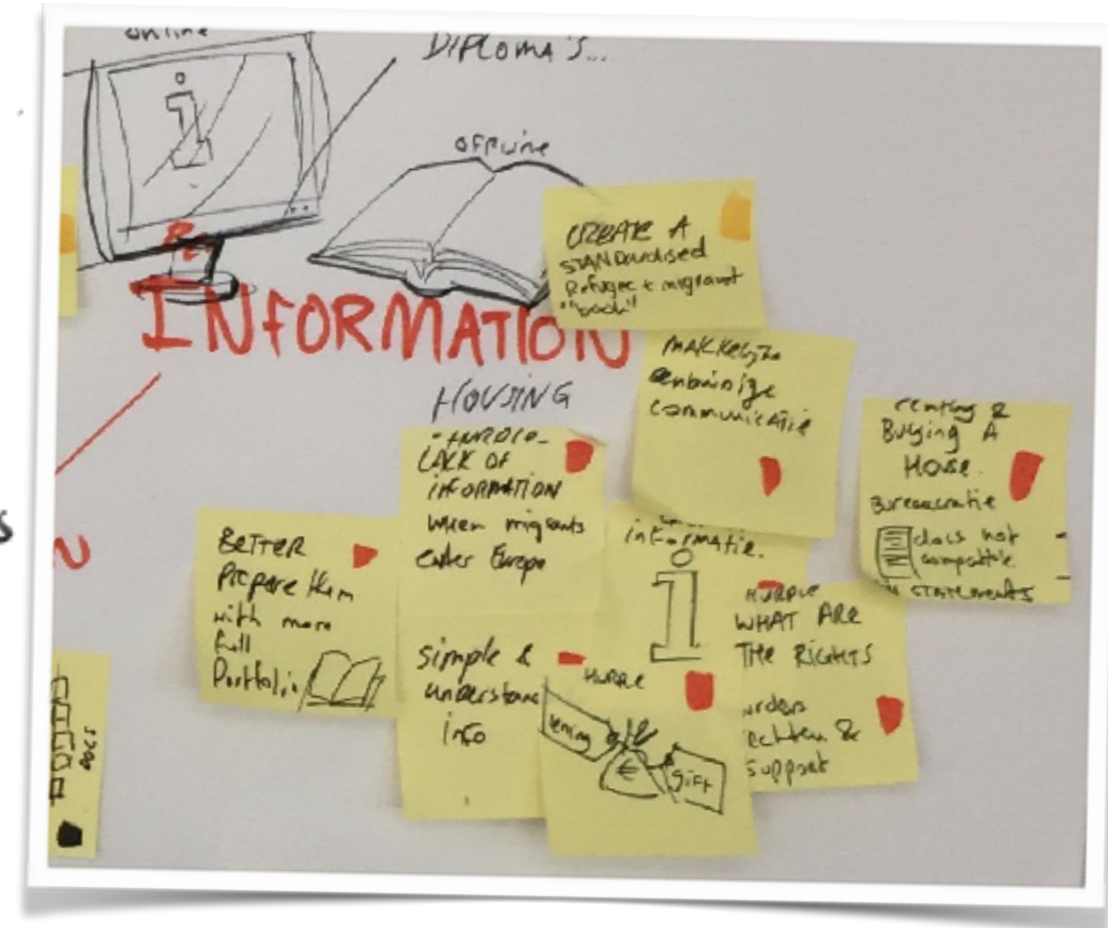

# Information: Refugee "Binas"

- Problem** R&M have difficulties in integrating into a new system (housing, education, funding, work, etc.)
- Solution** Create a booklet with all the information they need

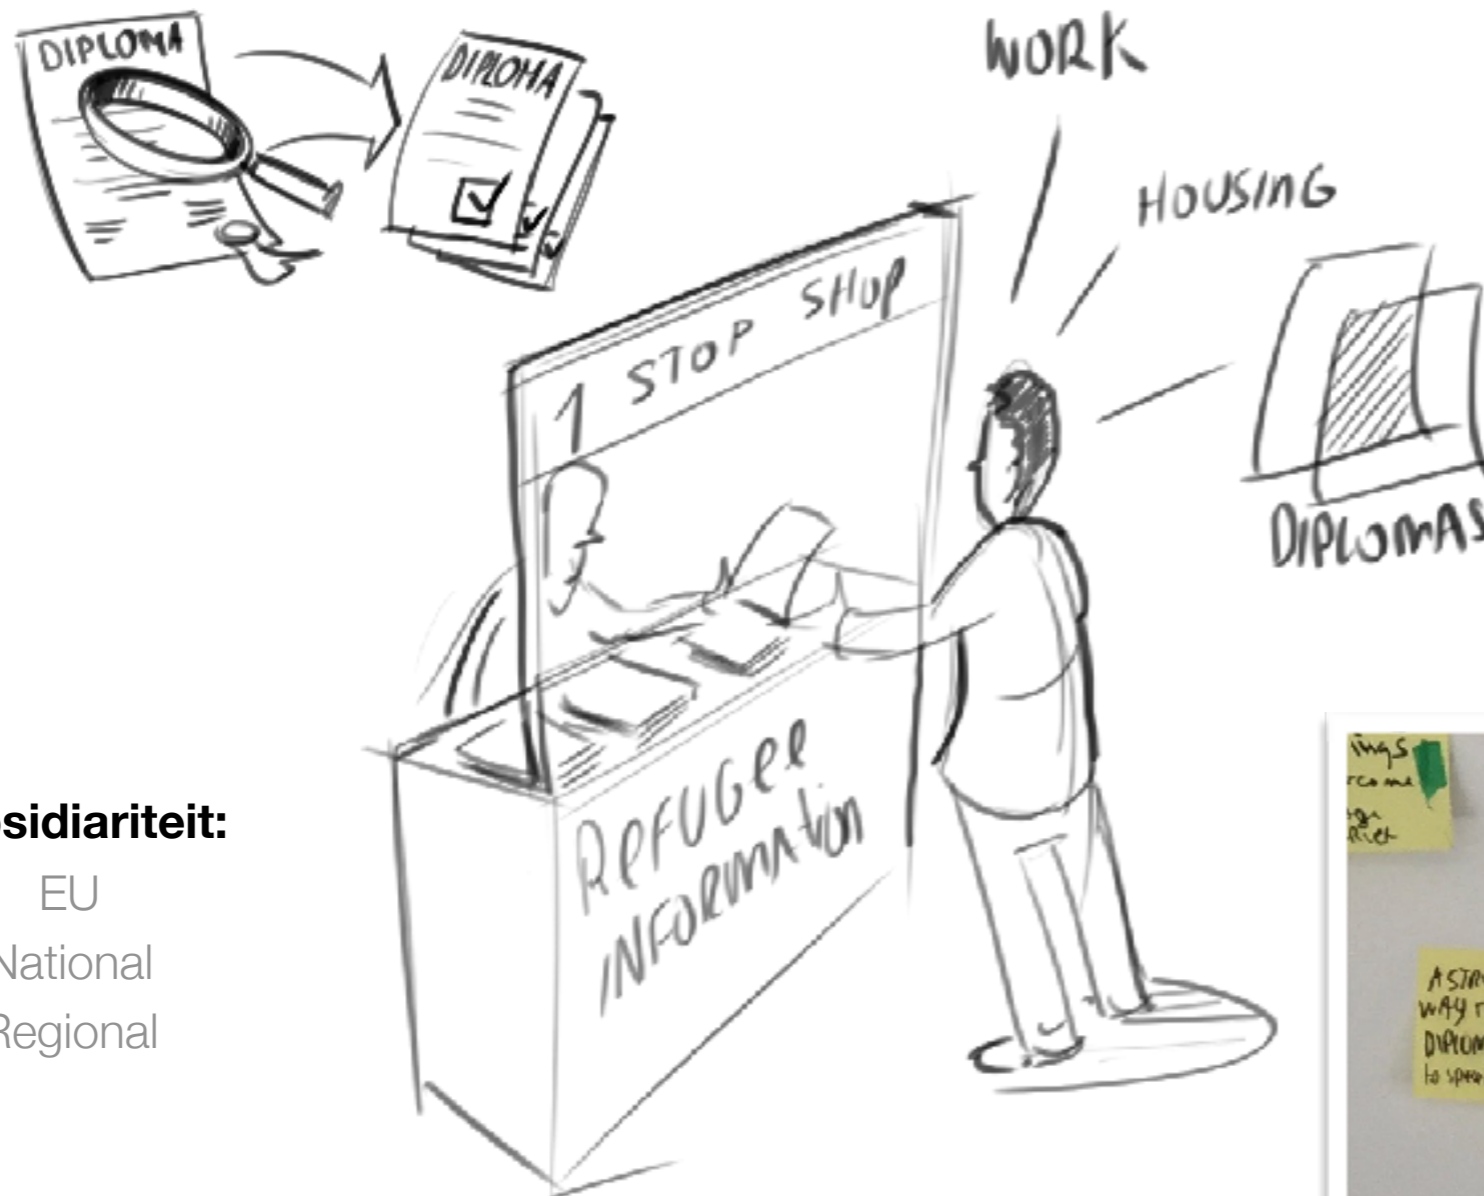

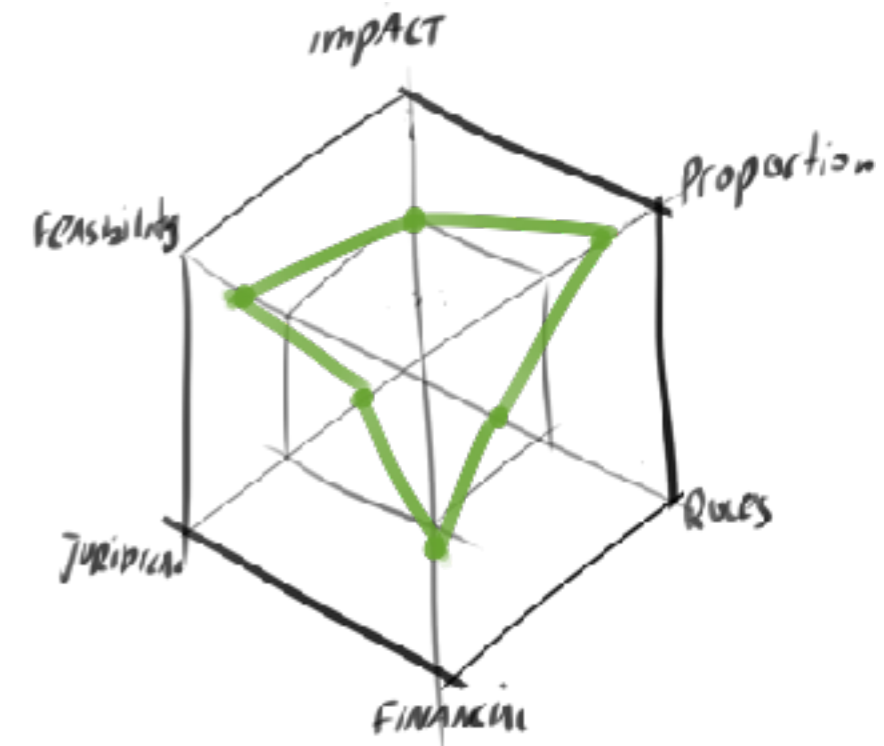

**Subsidiariteit:**

- EU
- National
- Regional

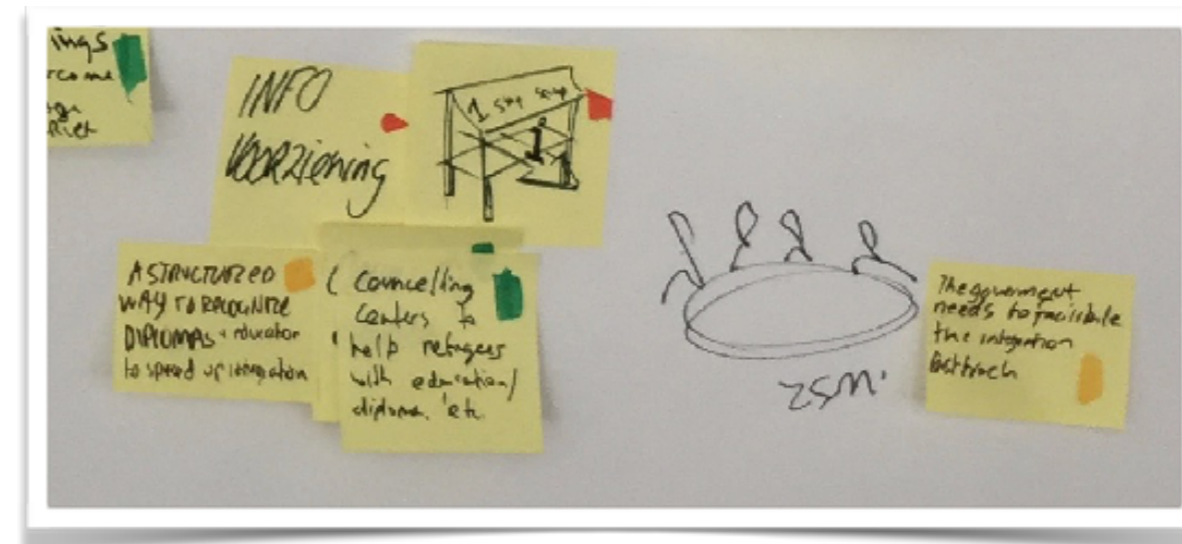

# Information: 1-stop shop

- Problem** Hard to gather the right information (at multiple institutions)  
(Diploma's, housing, etc)
- Solution** Create a window at municipalities for refugees  
to ask their questions

## Subsidiariteit:

- EU
- National
- Regional

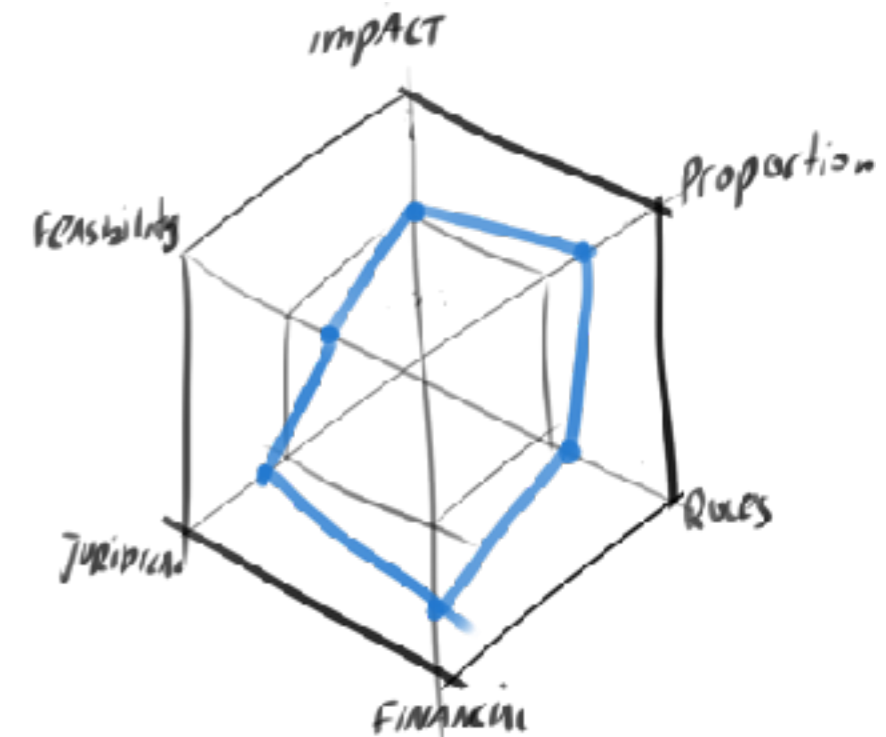

# Storytelling

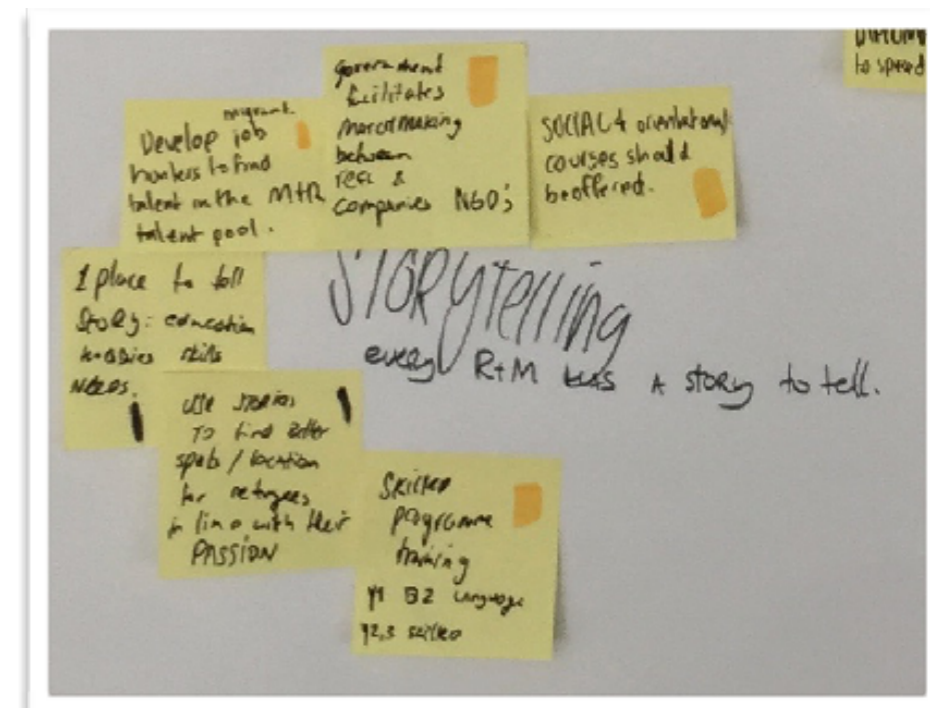

**Problem** Refugees feel they are a number, not being heard

**Solution** Give them a podium at reception, let them tell their story, background information. Use information to better place them

**Subsidiariteit:**

- EU
- National
- Regional

# Awareness

**Problem** Citizens are unaware of the things they can do for refugees

**Solution** Close the gap by creating awareness campaigns
