

Webinar on publishing learning opportunities in the new Europass

Europass Decision - Article 3(2):

(a) learning opportunities; (LOQ)

(b) qualifications and qualifications frameworks or systems; (LOQ)

(c) opportunities for validation of non-formal and informal learning;

(d) recognition practices and relevant legislation in different countries, including third countries;

(e) services offering guidance for transnational learning mobility and career management;

(f) skills intelligence as produced by relevant Union-level activities and agencies within their domains of competence (Skills Panorama, Cedefop);

(g) information on skills and qualifications that could be relevant to the particular needs of **third country nationals** arriving or residing in the Union to support their integration (Skills profile Tool).

Europass Decision - Article 7(1) (Member States' tasks)

*(c) promote and provide information on **services offering guidance for transnational learning mobility and career management**, including, where appropriate, individual guidance services;*

*(d) make information on **learning opportunities, qualifications and recognition practices** available on the Europass online platform, including through links to relevant national websites;*
