

Workshop on Characterising and Describing Uncertainty

The aim of this is Workshop will be to

1. Discuss and provide feedback on the results of the collaborative work on uncertainty on the basis of the plenary session presentations and the products/outputs of the international Working Group on uncertainty.
2. Identify items or areas of attention for the future work on the characterisation and description of uncertainty.

This paper was produced for a meeting organized by Health & Consumers DG and represents the views of its author on the subject. These views have not been adopted or in any way approved by the Commission and should not be relied upon as a statement of the Commission's or Health & Consumers DG's views.
