

Issues for the Panel

1. Any general consideration and suggestion for **the future of this dialogue**, and
What, Who and How:
2. Which are the major **current and forthcoming issues and challenges for risk analysis with an international dimension** (both on methods and on substantive risk issues)
3. Where there is greater **need, scope, added value for international dialogue** and collaboration
4. What **actors, possible concrete and practical initiatives** to ensure a sustained international dialogue on such issues. In other terms: what next?
