

Dear Mr Kyprianou,

In view of the fact that effective protection for non-smokers in Germany would appear to be impossible to achieve, owing to the power of the tobacco lobby, I would ask you to pass a law at EU level in order to ensure that consideration is shown for the health of people in pubs and restaurants in Germany too. Because of our corrupt politicians, you are our only chance.

Thank you very much.

Yours sincerely,

Rainer Leue
