

*9 June 2020*

**12th webinar organized on 11 June  
by the “COVID-19 Clinical Management Support System” on  
“Second Wave of COVID-19: Preparatory actions - Consultation with Clinicians”**

The webinar will take place on **11 June from 14.00 to 15.00 (CET)**. The purpose of the webinar is to collect experiences and lessons learned in a view of a possible second *SARS-CoV-2* wave, and to discuss potential preparatory actions with the clinicians experiencing the pandemic on the ground.

The webinar will be introduced by **Anne Bucher**, Director General, European Commission-DG SANTE, and will include the following speakers: **Martin Seychell**, Deputy Director General, European Commission-DG SANTE, **Andrzej Rys**, Director of Health systems, medical products and innovation, European Commission-DG SANTE, **Prof. Maurizio Cecconi**, President Elected of the European Society of Intensive Care Medicine and **Prof. Jozef Kesecioglu**, President of the European Society of Intensive Care Medicine.

In the context of the “COVID-19 Clinical Management Support System” launched by the European Commission, DG SANTE organises a series of webinars to support clinicians and other healthcare professionals at the frontline of the care of COVID-19 patients. These webinars will bring the expertise and recommendations of several experts from the 24 ERNs in the management of challenging cases of patients suffering at the same time of COVID-19 and a rare or complex disease or conditions.

Agenda of the webinar and technical information on how to connect hereafter:
