

European
Commission

The Future of Food and Farming

Communication from the Commission

DG Agriculture and Rural Development
European Commission

#FutureofCAP

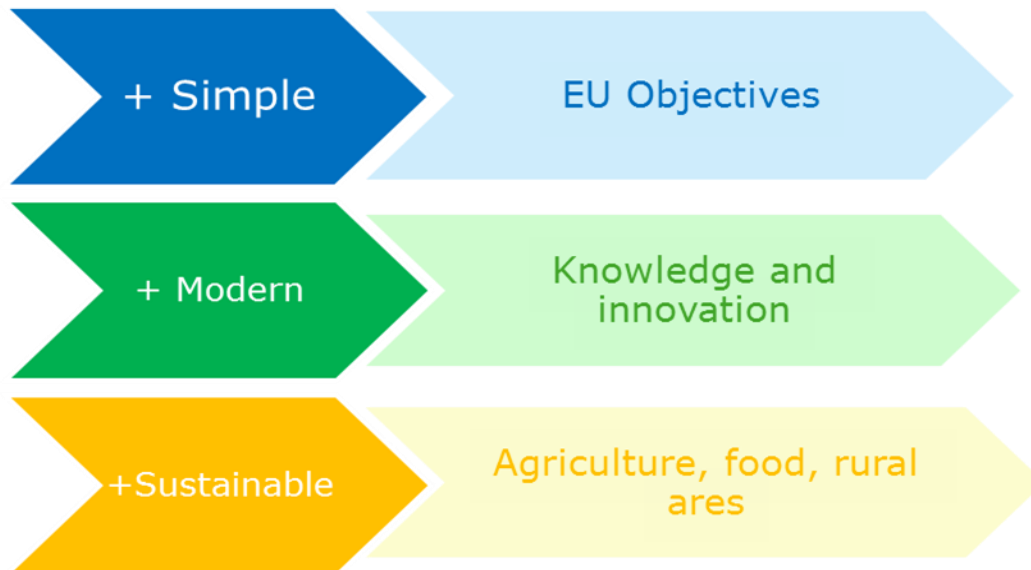

What is the Communication for?

- To provide policy orientations and guidance on the future CAP
- Without pre-empting the next proposals on the Multiannual Financial Framework (expected May 2018)

Future CAP

THE CONTRIBUTION OF THE CAP TO THE SDGs

CAP

Future CAP: Objectives and priorities of intervention

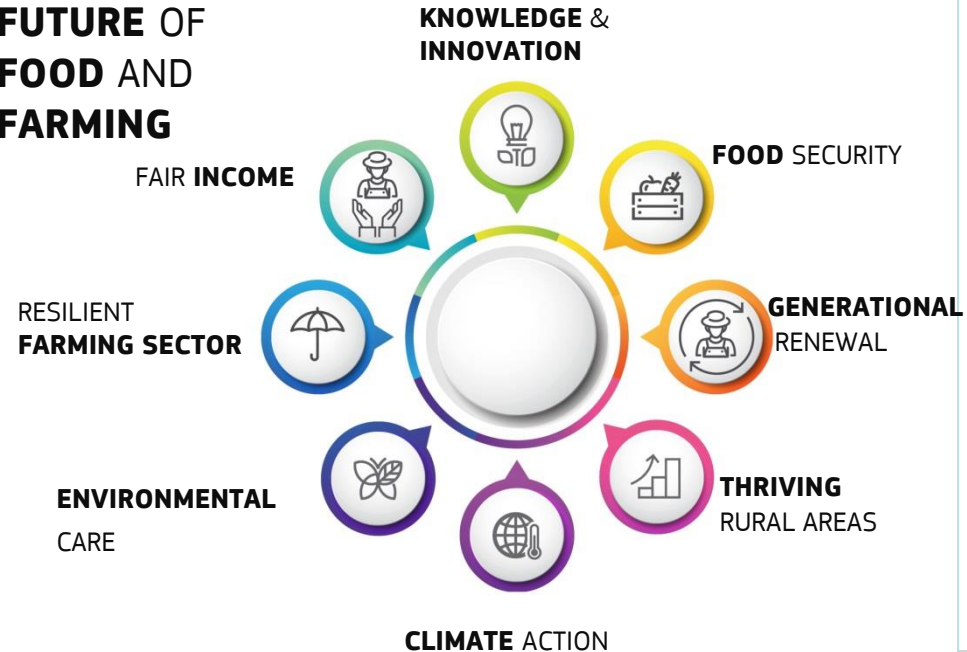

Foster a smart and resilient agricultural sector

Bolster environmental care and climate action and to contribute to the EU environmental and climate objectives

Strengthen the socio-economic fabric of rural areas

Enhance knowledge-basis
More subsidiarity/performance
Enhance synergies with other policies

FUTURE OF FOOD AND FARMING

Addressing consumer concerns

Farmers have to anticipate and adapt to consumer demand and societal concerns

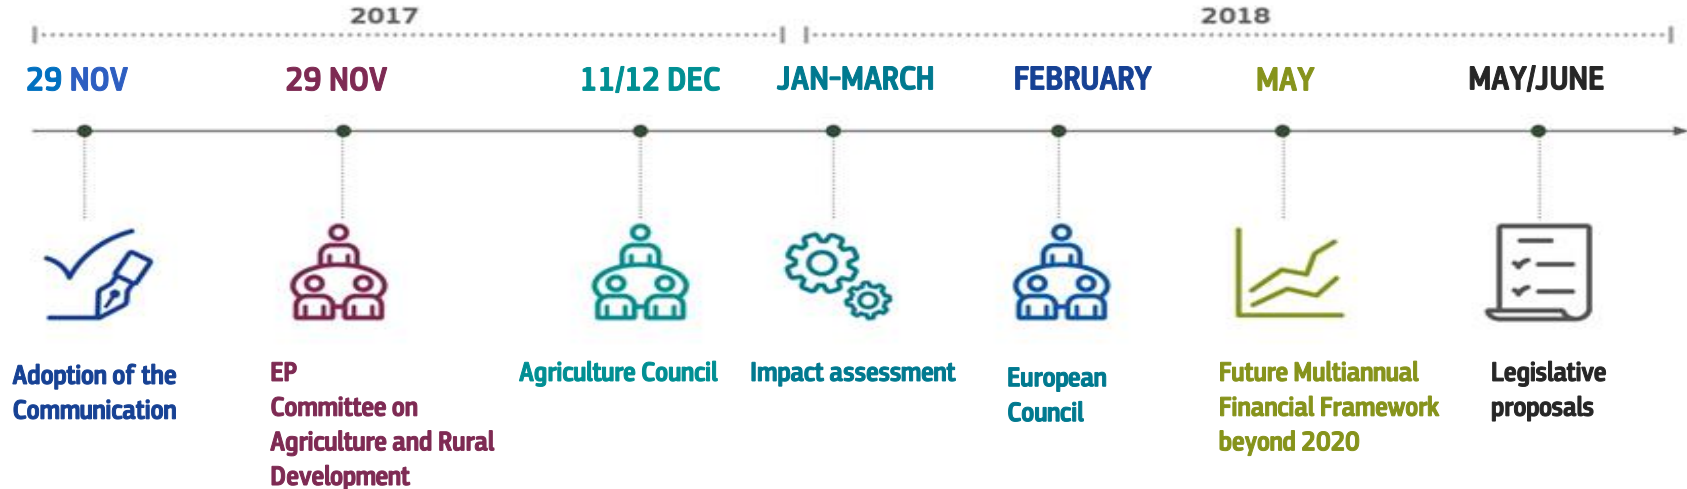

- *Implications/ideas for the future CAP*
 - *Modernise organic rules and make geographical indications more attractive*
 - *Support sustainable use of pesticides*
 - *Addressing critical health issues (antimicrobial resistance or AMR)*
 - *Support campaigns to promote healthy practices and consumption of fruits and vegetables*
 - *Address food waste*

CAP

The process ahead

CAP MODERNISATION AND SIMPLIFICATION ROADMAP
