Deadline postponed for the 2020 EU Health Award

Due to the challenges posed by COVID-19, the deadline for application has been postponed. The exact date will be communicated in the near future.

Those who have already submitted their applications are welcome to revise their submissions if they would like to. Only their latest application will be considered.

Those who are satisfied with their earlier submissions do not have to resubmit. We remain at your disposal in case you would have any further questions at sante-hpp@ec.europa.eu
