

Luxembourg, 25 May 2020

**Scientific Committee on Consumer Safety (SCCS)**  
**Meeting of the Working Group on Cosmetic Ingredients in Cosmetic Products**

13 May 2020, Luxembourg

**Minutes**

**1. Welcome and apologies, approval of the agenda and declaration of interests**

The Chair welcomed the participants. The meeting was organised via AUDIO due to the COVID crisis. An external SCCS expert from another WG, who is contributing to different files, also joined the audio.

No apology was received.

The agenda was adopted without changes.

The minutes of the previous meeting held on 7 April were endorsed by written procedure by the WG members and published on the website:

[https://ec.europa.eu/health/scientific\\_committees/consumer\\_safety/minutes\\_wg\\_meetings\\_en](https://ec.europa.eu/health/scientific_committees/consumer_safety/minutes_wg_meetings_en)

The Chair invited participants to declare any interest regarding matters on the agenda. None of the participants declared any interest conflicting with the matters on the agenda.

**2. List of points discussed**

**2.1 New mandates**

There was no new official submission of mandate:

[https://ec.europa.eu/health/scientific\\_committees/consumer\\_safety/requests\\_en](https://ec.europa.eu/health/scientific_committees/consumer_safety/requests_en)

DG GROW informed about a coming mandate on fragrance acetylated vetiver oil - AVO (submission IV) regarding inhalation only (sprayable products). The SCCS identified a lack of inhalation toxicology data for appropriate risk assessment and mandating DG GROW will go back to the Applicant first.

**2.2 Draft Opinion discussed**

- **TiO<sub>2</sub> non-nano** for an exemption under Art. 15(1). A revised text has been discussed and new contribution tasks have been allocated to members. A clarification request was sent to the Applicant following the April WG meeting. It

was discussed whether a TiO<sub>2</sub> composite material belongs to the actual dossier. Further enquiries will take place.

- **BPA in clothing** – A revised draft text has been discussed in particular with respect to realistic exposure and new contribution tasks have been allocated to members.
- **Benzophenone-3** – A revised draft text has been discussed and new contribution tasks have been allocated to members.
- **Homosalate** - A revised draft text has been discussed and new contribution tasks have been allocated to members.
- **Resorcinol** - A reply has been received to the clarification request letter that was sent to the Applicant following the April WG meeting.
- **Propylparaben** – New contribution tasks have been allocated to members.
- **Octocrylene** - A revised draft text has been discussed and new contribution tasks have been allocated to members. Requested references following the April WG meeting have been received from the Applicant.
- **Hair Dye Acid Yellow 3** – C054 – A draft text has been discussed and contribution tasks have been allocated to members.

### 2.3 Comments on Opinions

/

### 3. Information from Chairman/Members/Commission

- SCCS Vice-Chair informed the members that work will start this summer on the SCCS Notes of Guidance (11<sup>th</sup> revision) and that tasks will be allocated among members during the next plenary meeting.
- SCCS Chair informed that the JRC/RTD workshop on Safe and Sustainable Smart Nanomaterials has been postponed to early September and that he might do a short presentation via audio only as he'll be involved in SCCS meetings already.

### 4. Next meetings

10 July and 8 September 2020.
