Austrian Ministry of Health and Women’s Affairs
Overview

I. Aims and Goals during the EU-Presidency
II. Roadmap to a successful EU-Presidency
III. Challenges
IV. Point of discussion
(I) Aims and goals during the EU-Presidency

Our commitment
• Interdisciplinary, multilevel & interactive

Our goal
• All stakeholders at one table

Our challenge
• Implement a high-level strategic intergovernmental dialogue

Conference 29&30.11.2018

Joint action for access to healthy and sustainable diets for all!

Priv.Doz.in Mag.in Dr.in Karin Schindler
Head of Division: Division Mother, Child, Adolescence and Gender Health, Nutrition
Austrian Ministry of Health and Women’s Affairs
(II) Our roadmap to a successful EU-Presidency

Kickoff meeting: European Health Forum Gastein
October 4-6, 2017

We are here!

Expert meeting
January 16, 2018

Conference “Transforming Food Systems – adding value for better health in Europe”
November 29-30, 2018

Joint action

Addressing co-benefits in the food system
Involving all relevant stakeholders in a strategic process

Priv.DoZ.in Mag.in Dr.in Karin Schindler
Head of Division: Division Mother, Child, Adolescence and Gender Health, Nutrition
Austrian Ministry of Health and Women’s Affairs
(III) Challenges

• Finding **common grounds** and develop a common language

• Involving relevant **stakeholders** on national and EU-Level

• Widen the **perspective** (e.g. identifying co-benefits)
(IV) Point of discussion

• On a **national** level and on the **EU-level**, what kind of **initiatives** come to your mind, when thinking about „**Transforming food systems – adding value for better health in Europe**“?

• Do you know any **specialists** at the **EU-level** who might be interested to support us?

• Do you know people from your **professional national network** who might be interested to share their expertise with us?
Thank you for your attention!
