

A Conference conducted by the Austrian Ministry of Labor, Social Affairs, Health and Consumer Protection during the Austrian EU presidency

22nd-23rd of November, 2018, Vienna

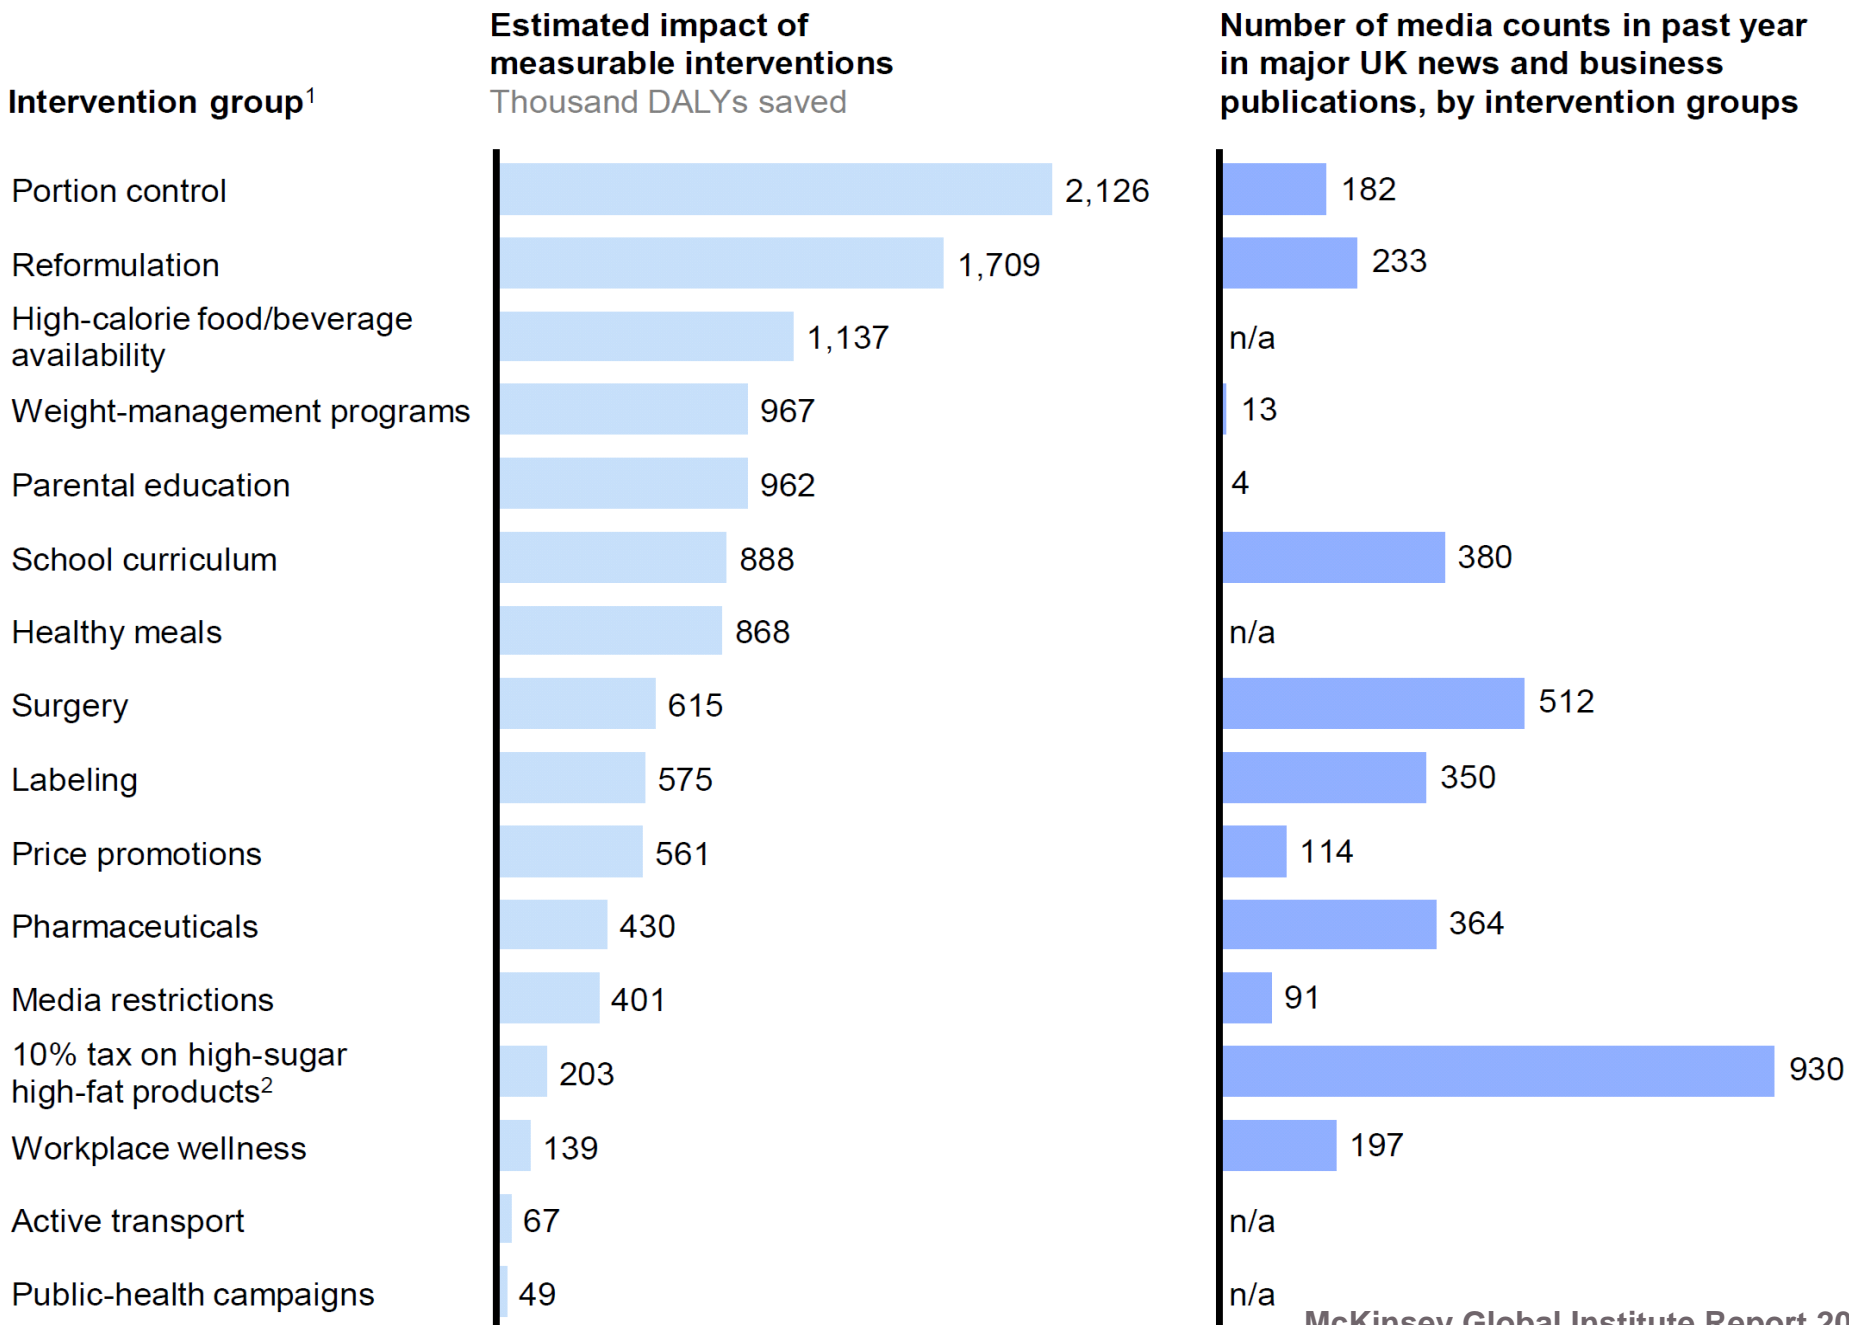

People's food – People's Health

Media
 Social
 Psychological
 Economic
 Food
 → Positive influence
 Activity
 Infrastructure
 Developmental
 Biological
 Medical
 - - - - ■ Negative influence

Butland et al. 2007. Foresight – Tackling obesity – future choices/ adt. McKinsey Report 2014

Impact and media count of intervention groups, United Kingdom

What do we need

Commitment to act together

Moving from a „silo-approach“ to a **collaborative & systemic approach**

- Identifying **co-benefits** between health and other sectors
- Improving policy coherence across sectors and levels towards an **integrated food policy**
- Defining **shared values**
- Defining **guiding principles**

Ongoing

- **Save the date**

- **Policy brief – Co-Benefits**

- **Multisectorial commitment to act**
 - MS with shared policies?
 - „low hanging fruits“?

- **Search best practice examples**
 - Website
 - Info will be shared soon

- **Multisectorial interactive conference 22.-23.Nov. 2018**
