### 3. Information from chairman/members/commission

- Endocrine Disruptors annual Forum is planned to be organised by DG ENV on 8 November. SCCS will be informed about any participation foreseen.
- As the mandate of the current members of the Expert Panel of the Health Platform is ending in November 2019, SANTE B1 will organise the final conference on health systems to reflect on the Panel's work and, based on this experience, more broadly on the role of evidence-based expert's advice in policy making. Qasim Chaudhry, Chair of the SCCS, agreed to participate as speaker on 8 November. His intervention will focus on the science/policy making relations and the challenges for the scientists; how they can be heard, how they can communicate "science", how they can address the policy needs, etc.

### 5. Next meetings

27 November, 18 December 2019 and 23 January 2020.
