Scientific Committee on Consumer Safety (SCCS)

WG on Nanomaterials in Cosmetic Products

19 December 2019

Minutes

1. Welcome and apologies, approval of the agenda and declaration of interests

The Chair welcomed the participants. Two apologies were received.

The agenda was adopted without changes.

The minutes of the previous meeting were endorsed by written process by the WG members and published on the website.

The Chair invited participants to declare any interest regarding matters on the agenda. None of the participants declared any interest conflicting with the matter on the agenda.

2. List of points discussed

2.1. New mandates

- Preliminary discussion with DG GROW on the new joint mandate for SCCS and SCHEER on the concerns related to nanomaterials.

2.3. Draft opinions discussed

- Draft Opinion on Hydroxyapatite (nano) – submission II. Letter to the Applicant requesting further information was sent to all Applicants via CPNP portal and via e-mail.
- Draft Opinion on Copper (nano) and Colloidal Copper (nano). Letter to the Applicants requesting further information was sent to all Applicants via CPNP portal and via e-mail.

- Opinion on Gold/colloidal gold and surface modified gold. Letter to all Applicants requesting further information was sent to the Applicants via CPNP portal and via e-mail.
- Opinion on Platinum/colloidal platinum. A letter to the Applicants requesting further information is currently under discussion. Next draft will be discussed at the January 2020 meeting.
- Opinion on three ZnO coatings. Two letters to two Applicant requesting further information have been discussed. They will be finalised at the January 2020 meeting.

2.2. Legislative points from GROW

- Opinion on SAS: According to the information received from the Applicant, a Corrigendum of the Opinion was adopted. The new version has been published and the Applicant was informed via DG GROW.
- GROW published the updated [catalogue of nanomaterials](https://ec.europa.eu/growth/content/commission-publishes-updated-catalogue-nanomaterials-used-cosmetics_en) used in cosmetic products on the EU market: https://ec.europa.eu/growth/content/commission-publishes-updated-catalogue-nanomaterials-used-cosmetics_en

3. Next meeting(s)

22 January 2020

8 April 2020

14 May 2020
