2- Personal data processing & respect of privacy

- Regulation (EC) N° 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data applies to Scientific Committees' activities. The present Declaration constitutes a legal act in the sense of Article 23 of the aforementioned Regulation and the undersigned is considered to be a processor of personal data on behalf of Scientific Committees in the sense of Article 2(e) of the Regulation. As a processor of personal data, the undersigned is subject to the following obligations:
- To process the data received in the context of the assignment with Scientific Committees solely for the purpose for which it was transmitted ;
- To act only on instruction of Scientific Committees' Secretariat, in its capacity of controller with regard to any personal data processing in the context of the assignment with Scientific Committees;
- To ensure the confidentiality and security of personal data processing in the sense of Articles 21 and 22 of the abovementioned Regulation, without prejudice to the obligations regarding confidentiality and security laid down in the national data protection legislation of the EU Member State, in which the undersigned is having her/his residence;
- To follow specific instructions of Scientific Committees' Secretariat in the case of transfer of personal data to any third party, therefore observing appropriate security safeguards to avoid unauthorised processing and disclosure.

3- Copyrights and library working tools provided by Scientific Committees

In case the undersigned is involved in the preparation of scientific outputs, she/he may receive from Scientific Committees' Secretariat scientific publications and journals protected by copyrights as hand-outs or via e-mail.

The undersigned will be allowed to make limited use of journals and scientific publications, but shall not:

- Distribute copies of articles and journals to third parties;
- Use articles or journals for commercial purposes;
- Use the materials for other purposes than the Scientific Committees' assignment
