In one word, what is the key message to take home from these training modules?

Happy birthday Francesco
To make health systems more LGBTI-inclusive, the priority should be to:

1. Adopt anti-discrimination laws
2. Mainstream LGBTI people health needs throughout national health systems
3. Train present & future healthcare professionals
4. Carry out further research
Would a follow-up conference to discuss measures to make health systems more LGBTI-inclusive be useful?

- Yes: 94%
- No: 0%
- Maybe: 6%
