The governing structure and evaluation

The governing structure
The overall strategic guidance and leadership is carried out by the MPF Steering Committee. The Steering Committee (SC) provides oversight for the implementation of the MPF, ensures coherence and coordination with other funds supporting the MPs and CAMMs, and decides on the overall priorities for the use of the MPF. The SC is set up under the leadership of the Directorate-General for Migration and Home Affairs of the European Commission (DG HOME) and comprises also representatives from other European Commission Services (the Directorate-General for Neighbourhood and Enlargement Negotiations - DG NEAR, and the Directorate-General for International Cooperation and Development - DG DEVCO) and the European External Action Service (EEAS). ICMPD ensures the secretariat and provides technical support in relation to the SC functioning.

Evaluation
Upon receipt of a Grant Application from an EU MS (or from a consortium of EU MS), the SC will be informed and involved in setting up a Grant Evaluation Committee to evaluate each proposal received.
