

2020 CEF TRANSPORT CALL

BUDGET
€200 MILLION

DEADLINE
22 March 2021

€200 MILLION

OBJECTIVES

The objective of this call is to prepare for the implementation of TEN-T core network projects by supporting studies, addressing the necessary preparatory steps for the forthcoming infrastructure works. These steps can relate to technical design, permitting procedures and preparation of the tendering process.

The funded projects need to contribute to completing pre-identified projects on the core network corridors and on the other sections of the core network (railways, inland waterways, roads, maritime and inland ports).

▶ The budget available under the Cohesion envelope (reserved for the 15 EU Member States that are eligible for Cohesion Fund support) is

€40 MILLION

▶ The budget available under the General envelope (all EU Member States can apply) is

€160 MILLION

WHAT PROJECTS ARE ELIGIBLE FOR FUNDING?

A proposal submitted under this call must address studies.

WHO CAN APPLY?

Two types of applicants can submit their proposal:

- » One or more Member States
- » With the agreement of the Member State(s) concerned, international organisations, joint undertakings, or public or private undertakings or bodies established in an EU Member State

HOW TO APPLY?

- » Read the call documentation on the call page
- » Obtain approval of the Member State(s) concerned
- » Prepare your application on the TENtec eSubmission module
- » Submit your application online via the TENtec eSubmission module before 22 March 2021 at 17:00.00 Brussels time
