## INFORMATION NOTE TO CEF BENEFICIARIES

**Subject: Change from INEA to CINEA on 01/04/2021**

Dear CEF beneficiaries,

In the context of the new multi-annual financial framework 2021-2027, the Commission has reorganised its Executive Agencies. By Commission Implementing Decision (EU) 2021/173 of 12 February 2021, INEA will become CINEA, the European Climate, Infrastructure and Environment Executive Agency as from 01/04/2021<sup>1</sup>. CINEA will continue to manage the transport and energy sectors of CEF and assumes the rights and obligations under these grant agreements with effect from the above-mentioned date.

HaDEA, the new Health and Digital Executive Agency, will take over the CEF digital sector (both DSIs and WiFi4EU) and will reach out to the concerned CEF beneficiaries.

The personal e-mail addresses and telephone numbers of your counterparts will not change.

The new CINEA website at <https://cinea.ec.europa.eu> opens on 01/04/2021.

The functional mailboxes will change their addresses. During a transition period, any incoming message will be directed automatically to the new e-mail address and you will receive information on the new e-mail address to be used.

We are looking forward to becoming CINEA, the European Green Deal Executive Agency, and we would like to reassure you that this change will not affect the implementation of the ongoing CEF Actions. In case you have any questions please contact your Project Manager.

Yours faithfully,

*[e-signed]*

Dirk Beckers and Andreas Boschen
