

# 2018 CEF TRANSPORT CALL

BUDGET  
**€450 million**

DEADLINE  
**24 October 2018**

**INEA**

The Innovation and Networks Executive Agency (INEA) works in partnership with the European Commission to turn policy into action. Since 2014, the Agency provides technical expertise and high quality programme implementation for infrastructure, research and innovation projects in the fields of transport, energy and telecommunications.

## EXPERTS NEEDED

External evaluators of project proposals are drawn from the European Commission's independent expert database. The Commission is looking to expand the database **through a call for experts covering a broad range of fields.**

If you fit the profile and would like to be considered as a proposal evaluator, please sign up via the **Participant Portal**:  
*ec.europa.eu/research/participants/portal > select the 'Experts' tab on the main menu*

## €450 million available for seven call priorities

The call supports the policy orientations of the 3rd Clean Mobility Package adopted on 17 May 2018 with a focus on transport digitalisation, road safety and multimodality. It is open for proposals addressing these priorities:

- Rail interoperability
- European Rail Traffic Management Systems (ERTMS)  
*Indicative available funding: €100 million*

---

- Safe and secure infrastructure
- Innovation and new technologies  
*Indicative available funding: €200 million*

---

- Intelligent Transport Services for road (ITS)
- River Information Services (RIS)
- Multimodal logistics platforms  
*Indicative available funding: €150 million*

## Coordinated call with CEF Telecom and CEF Energy sectors

This call is part of a set of coordinated calls covering the CEF Transport, CEF Telecom and CEF Energy sectors. The coordinated calls aim to exploit synergies between these three sectors related to the aspect of digitalisation with a view to foster the development and implementation of coherent digital infrastructure and solutions across the various networks.

The calls are published on the INEA website.

In particular, applicants are encouraged to exploit the possibilities offered by the CEF Telecom Cyber Security call - <http://europa.eu/tY38CY> - as regards digitalisation aspects relevant for transport. Where appropriate, applicants to this call are also encouraged to deploy and use any digital building blocks supported under CEF Telecom.

## What projects are eligible for funding?

A proposal submitted under this call must address works or studies or a combination of both, depending on the priority specification in the Work Programme.

## Who can apply?

Two types of applicants can submit their proposal:

- One or more Member States
- With the agreement of the Member State(s) concerned, international organisations, joint undertakings, or public or private undertakings or bodies established in an EU Member State

## How to apply?

- Read the call documentation on the call page
- Obtain approval of the involved Member State
- Prepare your application on the TENtec eSubmission module
- Submit your application online via the TENtec eSubmission module before 24 October 2018 at 17:00 Brussels time
