

2019 CEF TRANSPORT CALL

BUDGET

€100 million

DEADLINE

24 April 2019

INEA

The Innovation and Networks Executive Agency (INEA) works in partnership with the European Commission to turn policy into action. Since 2014, the Agency provides technical expertise and high quality programme implementation for infrastructure, research and innovation projects in the fields of transport, energy and telecommunications.

EXPERTS NEEDED

External evaluators of project proposals are drawn from the European Commission's independent expert database. The Commission is looking to expand the database **through a call for experts covering a broad range of fields.**

If you fit the profile and would like to be considered as a proposal evaluator, please sign up via the **Funding & Tenders Portal**:
ec.europa.eu/info/funding-tenders/opportunities/portal/screen/home > select the 'Work as an Experts' tab on the top menu

2019 CEF TRANSPORT CALL

CEF

Connecting
Europe
Facility

Innovation
and Networks
Executive Agency

Objectives

The call supports the timely and efficient completion of a number of TEN-T projects in their entirety or in significant parts, together with the realisation of a robust and resource efficient European transport system.

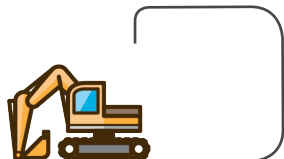

The Actions which will be supported by this call will contribute directly to the achievement of important transport policy objectives, such as:

- a better interconnection of national transport networks
- facilitating the functioning of the internal market
- savings in terms of the environmental effects of transport, in particular contributing to addressing climate change.

€100 million available for two call priorities

The call is open for proposals addressing the following priorities:

- Projects on the TEN-T Comprehensive Network
Indicative available funding: €65 million
- Reduction of Rail Freight Noise
Indicative available funding: €35 million

What projects are eligible for funding?

A proposal submitted under this call must address works or studies or a combination of both, depending on the priority specification in the Work Programme.

Who can apply?

Two types of applicants can submit their proposal:

- One or more Member States
- With the agreement of the Member State(s) concerned, international organisations, joint undertakings, or public or private undertakings or bodies established in an EU Member State

How to apply?

- Read the call documentation on the call page
- Obtain approval of the Member State(s) concerned
- Prepare your application on the TENtec eSubmission module
- Submit your application online via the TENtec eSubmission module before 24 April 2019 at 17:00.00 Brussels time
