

2017 CEF TRANSPORT BLENDING CALL

**Budget
€1.35 billion**

INEA

The Innovation and Networks Executive Agency (INEA) works in partnership with the European Commission to turn policy into action. Since 2014, the Agency provides technical expertise and high quality programme implementation for infrastructure, research and innovation projects in the fields of transport, energy and telecommunications.

EXPERTS NEEDED

External evaluators of project proposals are drawn from the European Commission's independent expert database. The Commission is looking to expand the database **through a call for experts covering a broad range of fields.**

If you fit the profile and would like to be considered as a proposal evaluator, please sign up via the **Participant Portal:**
