Commission

CONNECTING EUROPE FACILITY (CEF) – Transport grants 2014-2018

SPAIN

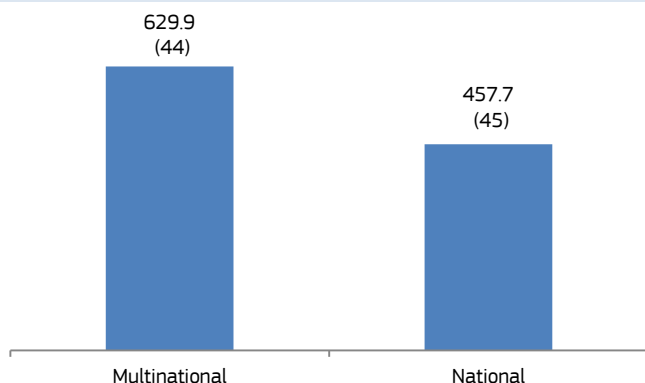

1. Key facts and figures

State of play

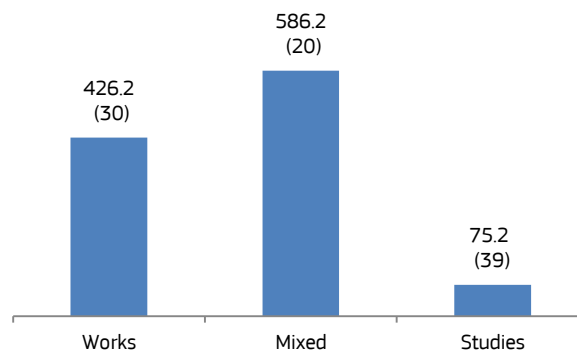

Spanish beneficiaries participate in **89 projects** and receive **€1.1 billion in CEF Transport co-funding**, with investments in these projects of €3.1 billion.¹

Additionally 7 projects are located in Spain but without the involvement of Spanish beneficiaries. These projects correspond to a total of €91.3 million of CEF Transport funding and a total investment of €342.4 million.

CEF Transport funding per national/multinational projects - € million (number of projects)

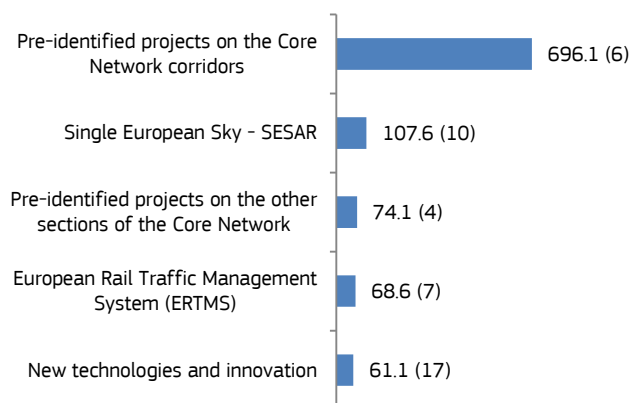

CEF Transport funding per type (works/studies) € million (number of projects)

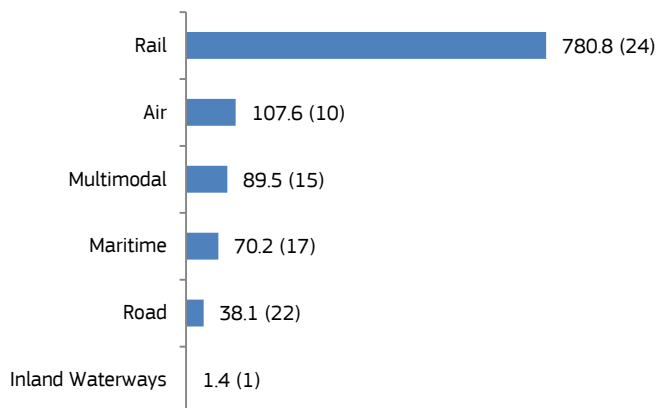

CEF Transport funding top 5 priorities

€ million (number of projects)

CEF Transport funding per transport mode

€ million (number of projects)

¹State of play: January 2019. The charts refer to the actual (or final for closed actions) CEF Transport funding/investments of Spanish beneficiaries. They exclude the projects located in Spain where no Spanish beneficiary is involved. For details on such projects please refer to Section 3.

2. List of projects with Spanish beneficiaries

Transport Mode / Project Code	Title	Project Status	Priority	Type	Actual End Date	Actual CEF co-funding (at project level) (€)	Out of which: Actual CEF co-funding for Spanish Beneficiaries (€)	Eligible costs (at project level) (€)	Out of which: Eligible costs for Spanish Beneficiaries (€)
