Works on the E75 railway line,
Czyżew-Białystok section

2015-PL-TM-0002-W
North Sea-Baltic Corridor

The Action aims at upgrading a 71 km-long Czyżew-Białystok section located on the E75 railway line. It is a part of the Rail Baltica, offering regional, interregional and international links along the North Sea - Baltic Core Network Corridor.

The Action covers design and tender documents, construction works, ERTMS deployment as well as supplementary tasks such as e.g. project supervision, land acquisition, etc.

Successful completion of the Action will result in the increase of technical characteristics, safety and capacity of the railway line contributing to the development of Rail Baltica and to the implementation of the North Sea - Baltic Core Network Corridor.
