Periodic Report

Technical Report (Part A)
Technical Report (Part B)
Financial Report

Version 1.0
01 April 2022

IMPORTANT NOTICE

What is the Periodic Report?

The Periodic Report/Final Report is the pre-condition for receiving payments; it must be submitted through the EU Funding & Tenders Portal Grant Management System by the Coordinator within 60 days after the end of the reporting period.

The Report is divided into a technical and financial report.

The Technical Report consists of 2 parts:
- Part A contains structured tables with project information
- Part B is a narrative description of the work carried out during the reporting period.

Part A is generated by the IT system. It is based on the information which you enter into the Portal Continuous and Periodic Reporting modules.

Part B (+ annexes) must be uploaded on the Technical Report (Part B) screen. The templates to use are available there.

The Financial Report normally consists of:
- the individual financial statements (Annex 4 to the GA) for each Beneficiary
- a summary financial statement
- a detailed cost reporting table
- a certificate on the financial statements (CFS) (if threshold reached).

The Financial Report is generated by the IT system on the basis of the financial information entered into the Periodic Reporting module (and any other documents uploaded, e.g. CFS and detailed cost reporting table).

How to prepare and submit it?

The Periodic Report must be prepared by the consortium in the Continuous and Periodic Reporting modules and then be submitted by the Coordinator.

The Continuous Reporting module is always open and can be updated at any moment during the project (submit deliverables, report on milestones, etc.). It automatically feeds Part A of the Periodic Report.

The Periodic Reporting module is opened after the end of the reporting period. It allows you to:
- download and upload the Part B of the Technical Report (upload only by the Coordinator)
- complete their financial statements on-line (each Beneficiary for themselves and their Affiliated Entities)
- consolidate the individual financial statements into a summary financial statement (Coordinator)
- upload the detailed cost reporting table (each Beneficiary)
- submit the Periodic Report (Coordinator).

⚠ Make sure that all the information in the Continuous Reporting module is updated *before* 'locking the periodic report for review'. Updates entered after this step will be included in the Periodic Report of the following period (if any).

⚠ This document is tagged. Be careful not to delete the tags; they are needed for the processing.
